Certification by Assessor

10. On completion of an assessment roll, the assessor must

- (a) certify in writing in substantially the form set out in Schedule X that the assessment roll was completed in accordance with the requirements of this Law; and

Protection of Privacy in Assessment Roll

14. (1) On application by a holder, the tax administrator may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the tax administrator's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the tax administrator omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under section 13 or are otherwise accessible to the public.

Chargeholders

15.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

16.(1) The tax administrator must, on or before May 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the tax administrator.

(3) A person whose name appears in the assessment roll must give written notice to the tax administrator of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) If there is an error, omission or misdescription in any of the information shown on an Assessment Notice, the tax administrator may prepare and send an amended Assessment Notice to all persons named on the assessment roll in respect of that interest in land.

(7) Subject to subsection 13(2) and subsection (8), the tax administrator must provide to any person who requests it the information contained in the current Assessment Notice.

(8) Where information has been omitted or obscured under subsection 14(1), the tax administrator must omit

that information from a notice provided under subsection (7).

(9) The Assessment Notice and the Tax Notice required under the Taxation Law relating to the same property may be mailed together or combined into one notice.

Part VII - Corrections to Assessment Roll

Corrections to Assessment Roll

17. (1) Where the assessor determines that

- (a) there is an error, omission or misdescription in any of the information shown on the assessment roll,
- (b) no assessment has been prepared for an assessable property, or

the assessor must make the necessary correction or amendment to the assessment roll and mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

(2) The assessor must not make an amendment to the assessment roll after December 31 of the current taxation year.

Supplementary Assessments

18.(1) The assessor must prepare supplementary assessments for machinery and equipment used in manufacturing and processing if those improvements are completed or begin to operate during the taxation year.

(2) The assessor must prepare supplementary assessments for other improvements if

- (a) they are completed in the taxation year;
- (b) they are occupied during all or any part of the taxation year; or
- (c) they are moved onto the reserve during the taxation year.

(3) A supplementary assessment must reflect the

- (a) value of an improvement that has not been previously assessed; or
- (b) increase in the value of an improvement since it was last assessed.

(4) Supplementary assessments must be prepared in the same manner as assessments prepared under this Law, but must be prorated to reflect only the number of months during which the improvement is complete, occupied, in operation or located on the reserve, including the whole of the first month in which the improvement was completed, occupied, began to operate or was moved onto the reserve.

(5) The assessor must prepare a supplementary assessment roll on or before December 31 in the taxation year in which supplementary assessments are prepared.

(6) A supplementary assessment roll must include the same information required to be shown on the assessment roll, and the date that the improvement

- (a) was completed, occupied, or moved onto the reserve, or

Part VIII - Reconsideration of Assessment

Reconsideration by Assessor

19. (1) A person named on the assessment roll in respect of an assessable property may request that the assessor reconsider the assessment of that assessable property.

(6) The Assessment Review Board may reasonably limit further examination or cross-examination of a witness if it is satisfied that the examination or cross-examination has been sufficient to disclose fully and fairly all matters relevant to the issues in the appeal.
