

July 30, 1975

The Council of the Garden River Band of Ojibway Indians at its meeting of Nov 4 1975, hereby makes the following by-law under paragraphs (g), (h) and (q) of Section 81 of the Indian Act:

By-law No. 1

1. That portion of the land reserved by our Band described in the schedule attached hereto shall be zoned Commercial and Industrial.
2. In this by-law, " Commercial and Industrial" zoning means that persons may, subject to other by-laws passed by this Council, carry on commercial enterprises, manufacturing, processing, sales and service industries of the land so zoned.
3. The Commercial and Industrial zoning of this land shall not act so as to prohibit any band member from using land to which he has a right of possession for residential or agricultural purposes.
