By-law 5-75

Being a by-law to provide for the disposal of garbage and waste.

WHEREAS Paragraphs (a) and (r) of section 81 of the Indian Act empower the Council of a band to make by-laws respecting health conditions and the imposition of a penalty for the violation thereof;

AND WHEREAS it is deemed to be expedient to provide for the disposal of garbage and waste for the safety and welfare of the inhabitants of the Telegraph Creek I. R. #6.

NOW THEREFORE the Council of the Tahltan Band of Indians enacts as a by-law thereof the following:

1. No person shall accumulate or permit to be accumulated upon lands in his possession or deposit or accumulate on the lands in possession of another person anything which is or may become offensive or injurious to health.

No person shall deposit any dead animal, offal, fish, manure, garbage, fruit, vegetables, night-soil, filth, liquid waste, or anything of a nature which is or may become offensive or prejudicial to health upon or into any highway, street, road, alley, lane, lot, ditch, wharf, dock, lake, pond, river, stream, well, or sewer, or into any land or premises within the reserve and any such deposit shall be deemed a nuisance, provided, however, that the provisions of this paragraph shall not apply to the deposit and proper disposal of any such material into or at a place within the reserve approved by the Council for that purpose.
3. The Council may arrange for the regular removal of garbage and waste from any premises within the reserve and shall arrange for a fee to be charged for that service.
4. In the spring of each year as soon as the melting of snow permits the person in possession of any premises within the reserve shall collect all waste matter lying thereon including tin cans, bottles, paper and animal manure.
5. All such waste matter shall be disposed of in such a manner as will prevent any nuisance or offence as the fouling of wells and water supply.
