REGULATIONS FOR THE CONTROL AND MANAGEMENT OF THE Hartley Bay
ELECTRIC POWER SYSTEM

1. The control and management of the Hartley Bay Electric Power System shall be under the direction of the Hartley Bay Council.
2. All persons desiring electricity from the Hartley Bay Electric Power System shall make and sign an application in the prescribed form.
3. Electricity shall not be turned on to any premises until the installation of the wiring in buildings has been completed to the satisfaction of the council or an inspector appointed by the council. A charge of .50¢ shall be made for the turning on of the electric current.
4. A person so appointed and authorized by the council may enter any building using electricity from the Hartley Bay Electric Power System at any convenient time to examine the wires and fixtures.
5. When it is necessary to make repairs to the main service lines or to construct new works, the council reserves the right to shut off the electricity from any user and keep it shut off as long as may be necessary.
6. Any user vacating any premises supplied with electricity from the Hartley Bay Electric Power System or who is desirous of discontinuing the service supplied, must give a reasonable notice of the same in writing to the council of the band or Indian Superintendent. In the case of failure to give such notice the user will be held liable for the rates therefor and for any damage that may result. In the case of such notice being received the council may authorize a rebate in the rates for the part of the quarter which is not then expired, which rebate shall be calculated to the nearest month.

7. The several rates and charges set forth in the schedule which forms part of these regulations, shall be the rates and charges for electricity supplied from the Hartley Bay Electric Power System and all such rates and charges shall be payable to the secretary Hartley Bay Council ~~and the office of the Indian Superintendent~~ on the first business day of each month provided however that new applicants shall pay only from the date on which the electricity is turned on.
8. (a) At the expiration of one month after the rates or charges are due on any premises, the electricity may at the option of the Council, be turned off and it shall not be turned on except on payment of all rates and charges together with the fee of .50¢ paid for the shutting off and .50¢ paid for the turning on.
- .(b) The council may cut off electricity from the premises of any user who infringes any of these regulations and may refuse to turn the electricity on again until satisfied and assured that the user will comply with these regulations.
