

Blood Band  
By Part No 10

773/3-10

CANADA

Province of Ontario

TO WIT

I, REINARD BERNARD KOHLS, residing at Ottawa, Ontario, make oath and swear that the paper-writing to which this affidavit is attached is a true copy of a document produced and shown to me and purporting to be the original by-law made pursuant to the Indian Act and signed by the Blood Band Council and dated July 4, 1977, the said copy having been compared by me with the said original document.

RB Kohls

Sworn to before me at the City of Ottawa in the Judicial District of Ottawa Carleton this 13th day of October, 1977.

William A. Sharpe

Commissioner of Oaths in and for the Province of Ontario.

The Council of the Blood Band of Indians at a meeting held the  
4 day of July, 19 77 make the following bylaw  
pursuant to paragraphs (b) and (r) of Section 81 of 1951 Act:  
Bylaw No. 10

A bylaw to provide for the placement and maintenance of traffic signs on roads lying on that portion of the Blood Indian Reserve, in the Province of Alberta, shown on the plans hereunto annexed and commonly known and hereafter referred to as the Standoff, Moses Lake, and Lavern Communities.

1. In this bylaw
  - a. "Council" means the Council of the Blood Band of Indians;
  - b. "Road" includes any roadway, bridge, driveway, street, lane or other place open to the public for the passage of vehicles within the designated communities.
  - c. "Traffic engineer" means a person authorized by the Council to place and maintain traffic signs, and
  - d. "Traffic control device" includes a sign, signal warning, marking or other device, placed or erected for the guidance, warning or direction of all persons using the roads.
2. The design and dimension of traffic control devices shall be the same as described in the Highway Traffic Act, Revised Statutes of Alberta (1970).
3.
  - a. No traffic control device shall be placed on any road unless authorized by a resolution passed by the Council;
  - b. The resolution of the Council shall specify the location where a traffic control device is to be placed.
4. The traffic engineer shall place and maintain the traffic control devices authorized by the Council and shall remove any traffic control devices not authorized by the Council.
5. No person shall interfere with or attempt to interfere with the traffic control engineer in the placement or maintenance of any traffic control device.
6. No person shall remove, deface, obliterate, alter or attempt to remove, deface, obliterate or alter, or in any manner interfere with any traffic control device lawfully placed on a road.
7. Any person who violates any of the provisions of this bylaw shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding \$100 or imprisonment for a term not exceeding thirty days, or both fine and imprisonment.

A quorum for this Band  
consists of: Seven (7)
