**PART IV
LIABILITY FOR TAXATION**

Application of Law

5. This Law applies to all interests in land.

Tax Liability

6.(1) Except as provided in Part V, all interests in land are subject to taxation under this Law.

(2) Taxes levied under this Law are a debt owed to the Tsleil-Waututh Nation, recoverable by the Tsleil-Waututh Nation in any manner provided for in this Law or in a court of competent jurisdiction.

(3) Where an interest in land is not subject to taxation, the liability for taxation of any other interest in the same property is not affected.

(4) Where a person alleges that he or she is not liable to pay taxes imposed under this Law, the person may seek a remedy from the Assessment Review Board, Council, or the Commission, or initiate proceedings in a court of competent jurisdiction.

(5) Taxes are due and payable under this Law notwithstanding a proceeding under subsection (4).

(6) Any person who shares the same interest in taxable property is jointly and severally liable to the Tsleil-Waututh Nation for all taxes imposed on that taxable property under this Law during the taxation year and for all unpaid taxes imposed in a previous taxation year, including, for clarity, interest, penalties and costs as provided in this Law.

Tax Refunds

7.(1) Where

(a) the Assessment Review Board, Council, the Commission or a court of competent jurisdiction determines that a person is not liable for taxes under this Law, or

(b) it is determined under this Law that a person was taxed in excess of the proper amount,

the tax administrator must refund to that person any excess taxes paid by that person.

(2) Where a person is entitled to a refund of taxes, Council may direct the tax administrator to refund the amount in whole or in part by applying it as a credit on account of taxes or other unpaid amounts that are due or accruing due to the Tsleil-Waututh Nation in respect of taxable property held by that person.

(3) Where a person is entitled to be refunded an amount of taxes paid under this Law, the tax administrator must pay the person interest as follows:

(a) interest accrues from the date that the taxes were originally paid to the Tsleil-Waututh Nation;

(b) the interest rate during each successive three (3) month period beginning on April 1, July 1, October 1 and January 1 in every year, is two percent (2%) below the prime lending rate of the principal banker to the Tsleil-Waututh Nation on the 15th day of the month immediately preceding that three (3) month period;

(c) interest must not be compounded; and

(d) interest stops running on the day payment of the money owed is delivered or mailed to the person to whom it is owed, or is actually paid.

PART V

8.(1) The following interests in land are exempt from taxation under this Law to the extent indicated:

- (a) subject to subsection (2), any interest in land held or occupied by a member of the Tsleil-Waututh Nation;

(3) An exemption from taxation applies only to that portion of a building occupied or used for the purpose for which the exemption is granted, and a proportionate part of the land on which the building stands.

PART VI
GRANTS AND TAX ABATEMENT

Grants for Surrounding Land

9. Where a building is exempted from taxation under this Law, Council may provide to the holder a grant equivalent to the taxes payable on that area of land surrounding the building determined by Council to be reasonably necessary in connection with it.

Annual Grants

(2) Council may provide for a grant to holders who would be entitled to a grant under the provisions of the *Home Owner Grant Act*, R.S.B.C. 1996, c. 194 if the holder's property was subject to taxation by a local government.

(3) A grant under subsection (2) must be in an amount equal to the amount to which a person would be entitled under the *Home Owner Grant Act*, R.S.B.C. 1996, c. 194 if the holder's property was subject to taxation by a local government.

(4) Council must in each taxation year determine all grants that are to be given under this Part and must authorize those grants in an expenditure law.

PART VII
LEVY OF TAX

Tax Levy

11.(1) On or before May 28 in each taxation year, Council must adopt a law setting the rate of tax to be applied to each property class.

(2) A law setting the rate of tax may establish different tax rates for each property class.

(3) Taxes must be levied by applying the rate of tax against each one thousand dollars (\$1,000) of assessed value of the interest in land.

(4) Taxes levied under this Law are deemed to be imposed on January 1 of the taxation year in which the levy is first made.

(5) Notwithstanding subsection (3), Council may establish, in its annual law setting the rate of tax, a minimum tax payable in respect of a taxable interest in land, provided that the minimum tax must not exceed one hundred dollars (\$100).

(6) A minimum tax established under the authority of subsection (5) may be established in respect of one or more property classes.

Tax Payments

12.(1) Taxes are due and payable on or before July 2 of the taxation year in which they are levied.

(2) Taxes must be paid at the office of the Tsleil-Waututh Nation during normal business hours, by cheque, money order or cash, or electronically.

(3) Payment of taxes made by cheque or money order must be made payable to the Tsleil-Waututh Nation.

(4) Where a taxpayer has been approved for the tax installment payment plan, taxes are due as set out in subsection (1), but are payable in accordance with subsection 14(4).

(5) For clarity, a taxpayer must pay taxes in accordance with subsections (1) and (2) unless the taxpayer has received approval to pay taxes under the tax installment payment plan.

PART VIII

TAX ROLL AND TAX NOTICE

Tax Roll

13.(1) On or before May 30 in each taxation year, the tax administrator must create a tax roll for that taxation year.

(2) The tax roll must be in paper or electronic form and must contain the following information:

- (a) a description of the property as it appears on the assessment roll;
- (b) the name and address of the holder entered on the assessment roll with respect to the property;
- (c) the name and address of every person entered on the assessment roll with respect to the property;
- (d) the assessed value by classification of the land and the improvements as it appears in the assessment roll, exclusive of exemptions, if any;
- (e) the amount of taxes levied on the property in the current taxation year

under this Law;

- (f) the amount of any unpaid taxes from previous taxation years; and
- (g) if the taxpayer is paying taxes under the tax installment payment plan, the amount of each of the twelve (12) installment payments payable in the current taxation year.

(3) The tax administrator may use the certified assessment roll as the tax roll by adding the following information to the assessment roll:

- (a) the amount of taxes levied on the property in the current taxation year under this Law; and
- (b) the amount of any unpaid taxes from previous taxation years.

Tax Installment Payment Plan

14.(1) A taxpayer of a residential property may, on or before July 2 in the year before the taxation year in which the tax installment payment plan is to apply, apply to the tax administrator to pay taxes in installments as set out in this section.

(2) In order to be accepted for the tax installment payment plan, the taxpayer must

- (a) have no unpaid taxes owing to the Tsleil-Waututh Nation;
- (b) complete and submit to the tax administrator an application in the form prescribed by the tax administrator from time to time, on or before July 2 in the year before the taxation year in which the tax installment plan is to apply;
- (c) not have their taxes paid by their mortgage company; and
- (d) if applicable, apply for the Home Owner Grant under subsection 10(2) on or before the deadline.

(3) Once approved under this section, the taxpayer remains on the tax installment payment plan from year to year, unless the taxpayer

- (a) requests removal from the plan in writing to the tax administrator;
- or
- (b) fails to pay an installment payment on or before the due date, and the tax administrator gives written notice to the taxpayer of removal from the plan.

(4) Installment payments under the tax installment payment plan must be paid as follows:

(a) payments must be made on the second day of every month, beginning on August 2 of the year before the taxation year in which the taxes are due and ending on July 2 of the taxation year in which the taxes are due;

(b) the installments payable on August 2 through June 2 are, at the discretion of the taxpayer, either

(i) in an amount determined by the taxpayer provided that it is no less than one hundred dollars (\$100), or

(ii) calculated in accordance with the following formula:

(previous year's tax bill + 5% / 11);

(c) the final installment payable on July 2 is the difference between the amount of taxes owing as set out in the tax notice and the total amount that has been paid in accordance with paragraph (b); and

(d) in the event that the amount paid under paragraph (b) is greater than the amount owing on the tax notice, the balance must be

(i) refunded to the taxpayer, or

(ii) applied to the next year's taxes for the property,

at the discretion of the taxpayer.

(5) Notwithstanding paragraph (4)(a),

(a) if taxes were levied on a property for only part of the previous taxation year because the assessment was added to the tax roll during the taxation year, the installments may be determined using the amount the tax administrator estimates would have been levied on the property if taxes had been levied for the entire taxation year;

(b) if a property has been added to the assessment roll for the current taxation year, but was not taxed in the previous taxation year, the installments may be based on the estimated total amount of taxes to be levied on the property in the current year; and

(c) if the tax administrator considers that the installments are too high or too low in relation to its estimate of the total taxes that are to be levied on the property in the current year, the tax administrator may adjust the installments to the extent the tax administrator considers appropriate.

(6) Where a taxpayer fails to pay an installment by the due date for that installment, the tax administrator must, as soon as practicable, send a notice to the taxpayer

(a) advising of the default;

- (b) setting out the amount due in accordance with subsection (4); and
- (c) advising of the taxpayer's removal from the tax installment payment plan, in accordance with paragraph (3)(b).

Annual Tax Notices

15.(1) On or before June 1 in each taxation year, the tax administrator must mail a Tax Notice to

- (a) each holder of taxable property under this Law, and
- (b) each person whose name appears on the tax roll in respect of the property,

to the address of the person as shown on the tax roll.

(2) The Tax Notice must contain the information set out in subsection 13(2).

(3) The tax administrator must enter on the tax roll the date of mailing a Tax Notice.

(4) The mailing of the Tax Notice by the tax administrator constitutes a statement of and demand for payment of the taxes.

(5) If a number of properties are assessed in the name of the same holder, any number of those properties may be included in one Tax Notice.

(6) Where the holder of a charge on taxable property gives notice to the assessor of the charge under the Assessment Law and the assessor enters the holder's name on the assessment roll, the tax administrator must mail a copy of all tax notices issued in respect of the property to the holder of the charge during the duration of the charge.

(7) Where applicable, a Tax Notice must state that taxes are payable in conjunction with periodic lease payments under Part IX.

Amendments to Tax Roll and Tax Notices

16.(1) Where the assessment roll has been revised in accordance with the Assessment Law, or where a supplementary assessment roll is issued in accordance with the Assessment Law, the tax administrator must amend the tax roll or create a supplementary tax roll, as necessary, and mail an amended Tax Notice to every person affected by the amendment.

(2) The duties imposed on the tax administrator with respect to the tax roll and the provisions of this Law relating to tax rolls, so far as they are applicable, apply to supplementary tax rolls.

(3) Where an amended Tax Notice indicates a reduction in the amount of taxes owing, the tax administrator must forthwith refund any excess taxes that have been paid, in accordance with section 7.

(4) Where an amended Tax Notice indicates an increase in the amount of taxes owing, the taxes are due and payable on the date of mailing of the amended Tax Notice; however, the taxpayer must be given thirty (30) days to pay those taxes and a penalty and interest must not be added in that period.

Subdivision

17.(1) If a property is subdivided, by lease or other legal instrument, before June 1 in the taxation year, the tax administrator may

(a) apportion the taxes payable in that year among the properties created by the subdivision in the same proportions as taxes would have been payable in respect of the properties had the subdivision occurred on or before the assessment roll was certified under the Assessment Law; and

(b) on making an apportionment under paragraph (a), record the apportionment on the tax roll in the manner that the tax administrator considers necessary.

(2) Taxes apportioned to a property under subsection (1) are the taxes payable in respect of the property in the year for which they are apportioned.

(3) The assessor must provide the tax administrator with the assessed values necessary to calculate the proportions of taxes referred to in subsection (1).

Requests for Information

18.(1) The tax administrator may deliver a Request for Information containing the information set out in Schedule I, to a holder or a person who has disposed of property, and that person must provide to the tax administrator, within fourteen (14) days or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The tax administrator is not bound by the information provided under subsection (1).

PART IX

Taxes as Percentage of Rental Payment

19.(1) Council, with the consent of the locatee where applicable, may by resolution declare that taxes respecting an interest in land that is leased be expressed as a percentage of the rent payment and collected with it in

accordance with the terms of a lease agreement or the terms of an agreement with the landlord.

(2) Where the Tsleil-Waututh Nation has entered an agreement with the Crown or with any person entitled to receive rents, for the collection of tax under this Part, the receipt by the Crown or such person of payment on account of tax must be a discharge of the liability for tax to the extent of the payment.

(3) Where taxes are due and payable in conjunction with payment of rent under this Part, the proportionate payment is due and payable on the date that the rent is due and payable.

PART X

PAYMENT RECEIPTS AND TAX CERTIFICATES

Receipts for Payments

20. On receipt of a payment of taxes, the tax administrator must issue a receipt to the taxpayer and must enter the receipt number on the tax roll opposite the interest in land for which the taxes are paid.

Tax Certificate

21.(1) On receipt of a written request and payment of the fee set out in subsection (2), the tax administrator must issue a Tax Certificate showing whether taxes have been paid in respect of an interest in land, and if not, the amount of taxes outstanding.

(2) The fee for a Tax Certificate is twenty dollars (\$20) for each tax roll folio searched.

PART XI

PENALTIES AND INTEREST

Penalty

22. If all or part of the taxes remain unpaid after July 2 of the year in which they are levied, a penalty of ten percent (10%) of the portion that remains unpaid must be added to the amount of the unpaid taxes and the amount so added is, for all purposes, deemed to be part of the taxes.

Interest

23. If all or any portion of taxes remains unpaid after July 2 of the year levied, the unpaid portion accrues interest at fifteen percent (15%) per year.

Application of Payments

24. Payments for taxes must be credited by the tax administrator first, to taxes, including interest, from previous taxation years, second, to a penalty added in the current taxation year, and third, to unpaid taxes for the current taxation year.

**PART XII

Revenues and Expenditures

25.(1) All revenues raised under this Law must be placed into a local revenue account, separate from other moneys of the Tsleil-Waututh Nation.

Reserve Funds

26.(1) Reserve funds established by Council must

(a) be established in an expenditure law; and

(2) Except as provided in this section, money in a reserve fund must be deposited in a separate account and the money and interest earned on it must be used only for the purpose for which the reserve fund was established.

(3) For capital purpose reserve funds, Council may

(a) under an expenditure law, transfer moneys in a reserve fund to another reserve fund or account only where all projects for which the reserve fund was established have been completed; and

(b) by resolution, borrow money from a reserve fund where not immediately required, on condition that the Tsleil-Waututh Nation repay the amount borrowed plus interest on that amount at a rate that is at or above the prime lending rate set from time to time by the principal banker to the Tsleil-Waututh Nation, no later than the time when the money is needed for the purposes of that reserve fund.

(4) For non-capital purpose reserve funds, transfers or borrowing of

reserve funds must be authorized by Council in an expenditure law.

(5) Council must authorize all payments into a reserve fund and all expenditures from a reserve fund in an expenditure law.

(6) Where moneys in a reserve fund are not immediately required, the tax administrator must invest those moneys in one or more of the following:

- (a) securities of Canada or of a province;

- (e) deposits in a bank or trust company in Canada or non-equity or membership shares in a credit union.

PART XIII

COLLECTION AND ENFORCEMENT

Recovery of Unpaid Taxes

27.(1) The liability referred to in subsection 6(2) is a debt recoverable by the Tsleil-Waututh Nation in a court of competent jurisdiction and may be recovered by any other method authorized in this Law and, unless otherwise provided, the use of one method does not prevent seeking recovery by one or more other methods.

(2) A copy of the Tax Notice that refers to the taxes payable by a person, certified as a true copy by the tax administrator, is evidence of that person's debt for the taxes.

(3) Where the tax administrator has reasonable grounds to believe that a debtor intends to remove his or her personal property from the reserve, or intends to dismantle or remove his or her improvements on the reserve, or take any other actions that may prevent or impede the collection of unpaid taxes owing under this Law, the tax administrator may apply to a court of competent jurisdiction for a remedy, notwithstanding that the time for payment of taxes has not yet expired.

(4) Before commencing enforcement proceedings under Parts XIV, XV, XVI and XVII, the tax administrator must request authorization from Council by resolution.

Tax Arrears Certificate

28.(1) Before taking any enforcement measures or commencing any enforcement proceedings under Parts XIV, XV, XVI and XVII and subject to subsection (2), the tax administrator must issue a Tax Arrears Certificate and deliver it to every person named on the tax roll in respect of that property.

(2) A Tax Arrears Certificate must not be issued for at least six (6) months after the day on which the taxes became due.

Creation of Lien

29.(1) Unpaid taxes are a lien on the interest in land to which they pertain that attaches to the interest in land and binds subsequent holders of the interest in land.

(2) The tax administrator must maintain a list of all liens created under this Law.

(3) A lien listed under subsection (2) has priority over any unregistered or registered charge, claim, privilege, lien or security interest in respect of the interest in land.

(4) The tax administrator may apply to a court of competent jurisdiction to protect or enforce a lien under subsection (1) where the tax administrator determines such action is necessary or advisable.

(5) On receiving payment in full of the taxes owing in respect of which a lien was created, the tax administrator must register a discharge of the lien without delay.

(6) Discharge of a lien by the tax administrator is evidence of payment of the taxes with respect to the interest in land.

(7) A lien is not lost or impaired by reason of any technical error or omission in its creation or recording in the list of liens.

Delivery of Documents in Enforcement Proceedings

30.(1) This section applies to this Part and Parts XIV, XV, XVI and XVII.

(2) Delivery of a document may be made personally or by sending it by registered mail.

(3) Personal delivery of a document is made

(a) in the case of an individual, by leaving the document with that individual or with an individual at least eighteen (18) years of age residing at that individual's place of residence;

AND TAKE NOTICE that:

1. The upset price for the taxable property is: _____ dollars (\$_____). The upset price is the lowest price for which the taxable property will be sold.
2. The public tender [auction], including the conditions that are attached to the acceptance of an offer, must be conducted in accordance with the procedures prescribed by the Council of the Tseil-Waututh Nation as set out in this notice.
3. If at the public tender [auction] there is no bid that is equal to or greater than the upset price, the Tseil-Waututh Nation must be deemed to have purchased the right to an assignment of the taxable property for the amount of

the upset price.

4. The debtor may redeem the right to an assignment of the taxable property by paying to the Tsleil-Waututh Nation the amount of the upset price plus three percent (3%), any time within three (3) months after the holding of the public tender [auction] in respect of the taxable property (referred to as the "redemption period"). Where the right to an assignment is redeemed, the Tsleil-Waututh Nation must, without delay, repay to the bidder the amount of the bid.
5. A sale of a right to an assignment of taxable property by public tender [auction] is not complete, and no assignment of the taxable property must be made, until the expiration of the redemption period. If the right to an assignment of the taxable property is not redeemed within the redemption period, then on the expiration of the redemption period, the Tsleil-Waututh Nation must assign the taxable property to the highest bidder or to itself as the deemed purchaser, as applicable. The taxable property must not be assigned to any person or entity who would not have been capable under the *Indian Act* or the *First Nations Land Management Act*, as the case may be, of obtaining the interest or right constituting the taxable property.
6. Council of the Tsleil-Waututh Nation must, without delay, provide to the Minister and the Manager of Lands written notice of the sale of a right to an assignment of the taxable property and of any redemption of the right to assignment of the taxable property.
7. The tax administrator must register an assignment of the taxable property in every registry in which the taxable property is registered at the time of the assignment.
8. An assignment of the taxable property operates
 - (a) as a transfer to the bidder from the debtor of the taxable property, without an attestation or proof of execution, and
 - (b) to extinguish all the right, title and interest of every previous holder of the taxable property, or those claiming under a previous holder, and all claims, demands, payments, charges, liens, judgments, mortgages and encumbrances of every type, and whether or not registered, subsisting at the time the assignment is registered, except an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land.
9. Upon assignment of the taxable property, the debtor must be required to immediately vacate the taxable property, and any rights or interests held by the debtor in the taxable property, including the improvements, must be transferred in full to the purchaser.
10. The proceeds of sale of the taxable property must be paid first to the Tsleil-

Waututh Nation, then to any other holders of registered interests in the taxable property in order of their priority at law. Any moneys in excess of these amounts must be paid to the debtor in accordance with the *Tsleil-Waututh Nation Property Taxation Law, 2010*.
