PART 4

LEVY OF TAX

Levy of Tax

18.(1) Subject to section 14, commencing in the year 1994, there is hereby imposed and levied each calendar year on all property subject to taxation under this bylaw a tax in the amount determined pursuant to section 18.1.

(2) Taxes imposed and levied pursuant to subsection (1) shall be deemed for all purposes to be imposed and levied as taxation for local purposes.

Variable Tax Rate System

18.1(1) There are hereby established as taxation districts those taxation districts listed in column 1 of Schedule II.

(2) Each taxation district shall consist of the whole or part of those named reserves as described and set out in column 2 of the part of Schedule II relating to the taxation district.

(3) Subject to subsection (5), council shall during each taxation year enact a bylaw with the approval of the minister establishing, imposing and levying the tax rate for each separate property class within each separate taxation district for the taxation year.

(4) A bylaw enacted pursuant to subsection (3) shall include a schedule (in subsection (6) called the "Annual Rate Schedule") substantially in the same form as Schedule II, in which shall be set out in column 4 the tax rate established for the taxation year for each separate property class within each separate taxation district.

(5) Tax rates may vary for each separate taxation district and for each separate property class within each separate taxation district.

(6) All tax rates established, levied and imposed for a taxation year pursuant to subsections (3) and (4) shall be applied against each \$1,000.00 of actual value of property on the assessment roll applicable for the taxation year in the appropriate property class set out in column 3 in the Annual Rate Schedule for the taxation year within the appropriate taxation district set out in column 1 in the Annual Rate Schedule for the taxation year.

Example of Calculation of Amount of Tax Imposed and Payable during a taxation year under this section 18.1:

If

- * the taxation year is 1994,
- * the taxable property is located within the Burns Lake Indian Reserve as the reserve boundaries existed as at January 1, 1992,
- * the taxable property is classified as being property class 6 (Business & Other),
- * the bylaw enacted by council and approved by the minister for the taxation year pursuant to subsection (3) establishes, levies and imposes a tax rate of 22.0682 for property class 6 in the Burns Lake Indian Reserve Taxation District, and
- * the taxable property has an actual value of \$276,543.00 on the assessment roll applicable for the 1994 taxation year, and therefore the tax rate of 22.0682 shall be applied against 276.543 thousand dollars,

Then the amount of tax imposed, levied and payable for the taxation year in respect of the taxable property shall be:

$$22.0682 \times 276.543 = \$6102.81.$$

(7) Notwithstanding subsection (6), where the amount of tax levied on a taxation property in a taxation year is less than \$100.00, the taxable property shall be taxed \$100.00 for the taxation year, and that sum shall be placed on the taxation roll.

(8) On receipt of a copy of the bylaw referred to in subsection (3) approved by the minister, the surveyor of taxes shall have the taxes levied for the taxation year placed on the taxation roll for the taxation year.

PART 5

TAXATION ROLLS

19.(1) Where pursuant to the assessment bylaw the assessment roll has been completed by the assessor and pursuant to section 18.1(3) of this bylaw the tax rate for each property class within each separate taxation district has been established for the taxation year, the surveyor of taxes shall forthwith prepare a taxation roll in which shall be entered each parcel of taxable property described in the assessment roll for the year.

(2) The taxation roll may be an extension of the assessment roll and shall be prepared as and contain the information specified in Schedule XVI.

(3) Where a person is named in an assessment roll as the person assessed in respect of property, he shall be deemed for the purposes of preparation of the taxation roll to be the assessed interest holder of the property.

Taxation Notice

20(1) On completion of the taxation roll the surveyor of taxes shall forthwith mail to every person named in it a taxation notice.

(1.1) Notwithstanding subsection (1), the surveyor of taxes may, with written agreement of a taxpayer, send a taxation notice to the taxpayer other than by mail.

(1.2) Where the surveyor of taxes mails a taxation notice under subsection (1) or sends a taxation notice under subsection (1.1), the mailing or sending of the taxation notice, as the case may be, constitutes a statement, and demand for payment, of the taxes and other amounts set out in the taxation notice.

(3) The taxation notice shall be directed to the last known assessed interest holder at the last known address of the last known assessed interest holder.

(4) Taxes levied and collected under this bylaw shall, except as otherwise provided, be calculated, levied and accounted for by the surveyor of taxes to the council on the assessed values entered in the assessment roll as provided under the assessment bylaw.

(5) Subject to subsection (5.1), the duties imposed on the surveyor of taxes as to the annual taxation roll and all provisions of this bylaw on taxation rolls apply to supplementary taxation rolls.

(5.1) Unless a supplementary assessment roll has been incorporated into the taxation roll for the purposes of subsection (4) or under subsection (6), the surveyor of taxes shall mail pursuant to subsection (1) or send pursuant to subsection (1.1) to every person named on the supplementary taxation roll a supplementary taxation notice.

(5.2) Subsection (3.1) applies in respect of the supplementary taxation roll and supplementary taxation notices.

(6) Where, before or after the taxation roll is completed and before a taxation notice is mailed under subsection (1) or sent under subsection (1.1), a supplementary assessment roll is prepared under the assessment bylaw that results in a change in the tax payable for that taxation year, the surveyor of taxes may incorporate the supplementary assessment roll into the taxation roll to reflect the amended tax payable and may issue a single taxation notice showing the amended tax payable.

(2) Where taxes imposed under this bylaw are due from a person liable for the unpaid taxes to whom an amount is to be refunded under this section, the amount may, in the discretion of the council, be refunded in whole or in part by being applied as a credit on account of the taxes due or accruing due

- (a) pay interest on the tax arrears at such rate as council deems appropriate, and
- (b) provide any form of security for payment of the tax arrears that council deems appropriate.

Power To Reduce Taxes by Amount Equal to Provincial Home Ownership Grants

23.2 Council may from time to time provide by band council resolution for the reduction of taxes due by a taxpayer for a taxation year by an amount equal to or less than the amount by which the taxpayer would be entitled to have their tax indebtedness for the tax year reduced pursuant to the Home Owner Grant Act, RSBC 1979, c. 171, as amended from time to time, if the taxpayer's property was not located within or part of the reserve or subject to taxation under this bylaw but, rather, was located within a municipality and was subject to taxation by the municipality and to the provisions of such Act.

Proving Tax Debt

27. Any tax, or portion thereof, due and payable under this bylaw that has not been paid may be certified by the surveyor of taxes, who shall attach a copy of that part of an taxation roll that refers to the taxes which are payable. Such certification shall be in the form provided in Schedule IV, and when so certified is *prima facie* proof of the debt.

Special Lien and Priority of Claim

28.(1) Taxes due and payable are a special lien and encumbrance in favour of the band on the entire property taxed.

(2) The special lien and encumbrance referred to in subsection (1) attaches to the entire property taxed, and without limiting the foregoing, attaches to the interest of a subsequent interest holder of the property.

(3) A certificate issued under section 27 may:

- (a) if relating to an interest that is registerable in the reserve land register kept pursuant to section 21 of the Indian Act, be registered therein,
- (b) if relating to an interest that is registerable in the surrendered and designated lands register kept pursuant to section 55 of the Indian Act, be registered therein, and
- (c) if relating to an interest that is not registerable in a register referred to in paragraph (a) or (b), be listed or filed in the band land register.

(4) When registered pursuant to subsection (3), the special lien and encumbrance shall have priority over every other claim, privilege, lien, charge, security interest, or encumbrance of every person, from the time of its registration.

(5) When all taxes levied against the property have been paid, the surveyor of taxes shall certify that the special lien and encumbrance against the property referred to in subsection (1) has been discharged, and shall register such certification in:

- (a) if the certificate issued under section 27 was registered pursuant to paragraph (3)(a), the reserve land register kept pursuant to section 21 of the Indian Act,
- (b) if the certificate issued under section 27 was registered pursuant to paragraph (3)(b), the surrendered and designated lands register kept pursuant to section 55 of the Indian Act, and
- (c) if the certificate issued under section 27 was listed or filed pursuant to paragraph (3)(c), the band land register.

Such certification shall be sufficient proof of the payment of the taxes and the discharge of the special lien or encumbrance referred to in subsection (1).

(6) No property subject to a special lien and encumbrance or any interest therein shall be sold, transferred or assigned, nor shall there be any further transaction in respect of such property, until the special lien and encumbrance has been discharged in accordance with subsection (5).

(6.1) Notwithstanding subsection (5), no sale, transfer, assignment or transfer of possession of property or any interest therein referred to in subsection (5) shall affect any right of distress or sale of the property under this bylaw for the recovery of taxes.

(6.2) Where property or any interest therein is sold, transferred or assigned, the amount of the unpaid special lien and encumbrance constitutes a first charge on the proceeds of sale.

(7) The special lien and encumbrance is not lost or impaired by reason of any neglect or technical error or omission including, without limiting the generality of the foregoing, by any neglect, error or omission of council, the surveyor of taxes, or any other person, or by taking or failing to take proceedings to recover the taxes due, or by tender or acceptance of partial payment of the taxes or, subject to subsection (4) in respect of priorities only, by way of registration.

Demand for Payment and Notice of Enforcement Proceedings

29.(1) In January following the year for which taxes are imposed, or so soon as is practical thereafter, the surveyor of taxes shall prepare a list of taxes which have not been paid, together with the name of the assessed taxpayers named in the taxation roll liable for payment of unpaid taxes. The list shall be submitted to the council who shall, subject to subsection (2), approve collection proceedings be taken on all overdue taxes.

(2) Immediately following receipt of the approval provided pursuant to subsection (1), the surveyor of taxes shall, by mail, and in the form set out in Schedule V, serve a demand for payment and notice of enforcement proceedings on all persons whose names are on the approved list, and all persons who have a registered interest in the property in respect of which the taxes have been paid.

(3) Failure to give notice required by this section does not affect the validity of proceedings taken for the recovery of taxes under this bylaw.

Distress: Seizure of Personal Property and Sale of Personal Property Seized by Distress

30.(1) If the taxes or any portion thereof remain unpaid, after the time provided by the demand for payment and notice of enforcement served pursuant to subsection 29(2), then proceedings by way of distress of personal property, as set out in this section, may be taken by the surveyor of taxes.

(2) The surveyor of taxes shall serve a notice of distress on the tax debtor, in the form set out in Schedule VI.

(3) If the taxes, or any portion thereof, remain outstanding following the time provided by the notice of distress, then the surveyor of taxes shall himself or by an agent, bailiff or sheriff effect a seizure by distress of the personal property generally described in the notice of distress referred to in subsection (2) and post a notice of the personal property which is seized pursuant to this section on the property in respect of which the tax debtor is an interest holder. The seized personal property shall then be in the possession of the band, as represented by the surveyor of taxes.

(4) So long as the taxes, or any portion thereof, remain outstanding, no personal property seized pursuant to subsection (3) which is located on reserve shall be removed therefrom, and any such removal shall be considered a trespass. Without limiting the generality of the foregoing, no such personal property shall be seized by a bailiff, sheriff, assignee or liquidator or trustee, or authorized trustee in bankruptcy, except under the authority of council.

(5) If the surveyor of taxes seizes by distress the tax debtor's personal property pursuant to subsection (3), and the tax debtor does not commence legal proceedings in a court of competent jurisdiction within 30 days after the date of such seizure challenging such, the personal property may be sold in accordance with this section and the tax debtor is estopped from denying the validity of the seizure and sale of such personal property.

(6) Upon the expiration of 30 days after a seizure by distress pursuant to subsection (3), if the outstanding taxes have not been paid in full, the personal property seized will be deemed to have been abandoned by the tax debtor and may be sold by public auction, the proceeds of which will be applied for payment of taxes.

(7) A notice of sale of personal property seized by distress in the form of Schedule VII to this bylaw shall be published in at least one newspaper of general local circulation for 7 days prior to the sale, and shall be posted on the property in respect of which the tax debtor is an interest holder.

(8) The sale of the personal property seized by distress shall be conducted at the time and place advertised pursuant to subsection (7), unless it is necessary to adjourn such sale. If an adjournment is necessary an additional notice shall be published in the manner provided by subsection (7).

(9) Any surplus resulting from the sale conducted pursuant to subsection (8), after deducting all liabilities of the tax debtor, including all costs and charges arising from the sale, shall be paid to the owner of the personal property seized. In the event that the surveyor of taxes is uncertain as to the person entitled to such surplus the surveyor of taxes shall pay such money into court by way of interpleader action.

(10) Any goods and chattels of any tax debtor that would be exempt from seizure under a writ of execution issued out of a superior court of the province of British Columbia are exempt from seizure under this section.

Cancellation of Proprietary Interest Held by Taxpayer

31.(1) Upon the expiration of 6 months after the time provided in the demand for payment and notice of enforcement proceedings served pursuant to subsection 29(2), the surveyor of taxes may request authorization from the council to issue a notice of cancellation of the tax debtor's interest in the reserve in the form of Schedule VIII. Prior to giving such authorization the council shall obtain the consent of the minister or such other party as may be lawfully required.

(2) The surveyor of taxes shall mail a copy of the notice of cancellation referred to in subsection (1) to every place where the interest is registered.

(3) Where taxes with interest are not paid within 30 days of the mailing of the notice of cancellation, the tax debtor's interest in the reserve may be cancelled. The surveyor of taxes shall certify the cancellation in the form provided in Schedule IX. A certificate issued under this subsection shall

- (a) if relating to an interest that was registered in the reserve land register kept pursuant to section 21 of the Indian Act, be registered therein,
- (b) if relating to an interest that was registered therein, be registered in the surrendered and designated lands register kept pursuant to section 55 of the Indian Act, and
- (c) if relating to an interest that was not registered in a register referred to in paragraph (a) or (b), be listed or filed in the band land register.

Sale of Improvements or Proprietary Interests

32.(1) The surveyor of taxes may, upon the expiration of six months following the service of the demand for payment and notice of enforcement proceedings pursuant to section 29(2) and upon receiving the authorization provided for in section 31(1), serve upon the tax debtor a notice of sale of improvements and disposition of interests on reserve, in the form of Schedule X.

(2) Upon the expiration of the time provided by the notice served pursuant to subsection (1) and failure of the tax debtor to pay the outstanding taxes or commence legal proceedings in a court of competent jurisdiction challenging the sale or disposition, the surveyor of taxes shall sell the improvements and dispose of the interest of the tax debtor in the reserve by public auction, or pursuant to subsection (4) by public tender.

(3) A notice of sale of improvements and disposition of interest in the reserve in the form of Schedule X shall be published in at least one newspaper of general local circulation for 7 days prior to the sale, and shall be posted on the property in respect of which the tax debtor is an interest holder.

(4) If in the sole discretion of the surveyor of taxes, the sale of improvements and disposition of the interest in the reserve pursuant to subsection (2) would fairly and efficiently occur by sale by public tender, then the surveyor of taxes shall seek prior approval from the council to hold the sale and disposition by public tender. Upon granting such approval, the council shall prescribe the method of public tender, including the conditions of sale, method of publication or circulation, and conditions attached to the acceptance of any offer.

(5) The sale of the improvements and disposition of interest in the reserve shall be conducted at the time and place advertised pursuant to subsection (3), unless it is necessary to adjourn such disposition. If an adjournment is necessary an additional notice shall be published in the manner provided by subsection (3).

(6) The sale of the improvements and disposition of the interest in the reserve by public tender approved by the council pursuant to subsection (4), shall be conducted in the manner provided by the council pursuant to that section.

(7) The surveyor of taxes, upon receiving the prior approval of the council, may at any sale and disposition conducted pursuant to subsections (2) or (4), set an upset price equal to the outstanding taxes with respect to that property, and that upset price shall be the lowest price for which the improvements may be sold and the interest in the reserve disposed.

(8) Where the surveyor of taxes sets an upset price pursuant to subsection (7), and there is no bid at the sale and disposition conducted pursuant to subsections (2) or (4) that is equal to or greater than the upset price, the band shall become the purchaser of the improvements and the holder of the tax debtor's interest in the reserve at the upset price.

(9) At any time within 6 months after the sale and disposition held pursuant to subsections (2) or (4), the tax debtor may redeem his improvements and interest in the reserve by paying to the surveyor of taxes the full amount of all taxes for which the improvements were sold and the interests disposed, together with all taxes which have subsequently fallen due.

(10) If upon the expiration of the redemption period provided by subsection (9), any amount of the taxes remains outstanding, the sale of the improvements and disposition of the interests shall be considered final and the purchaser shall obtain title to the improvements and to the tax debtor's interest in the reserve. The surveyor of taxes shall certify the sale in the form provided in Schedule XI. A certificate issued under this section shall:

- (a) if relating to an interest that was registered in the reserve land register kept pursuant to section 21 of the Indian Act, be registered therein,
- (b) if relating to an interest that was registered therein, be registered in the surrendered and designated lands register kept pursuant to section 55 of the Indian Act, and
- (c) if relating to an interest that was not registered in a register referred to in paragraph (a) or (b), be listed or filed in the band land register.

and shall be served on the tax debtor.

(11) Upon the filing of the certificate provided by subsection (10), the purchaser shall be substituted for the tax debtor as the holder of the interest in the reserve, and in addition to any other obligations, shall be liable for all future taxes assessed against that interest.

(12) Upon the filing of the certificate provided by subsection (10), any surplus moneys resulting from the sale and disposition conducted pursuant to subsection (2) or (4), after deducting all outstanding taxes of the tax debtor, including all costs and charges arising from the sale and disposition, shall be paid or returned to the tax debtor. In the event that the surveyor of taxes is uncertain as to the person entitled to such surplus the surveyor of taxes shall pay such money into court by way of interpleader action.

(13) Upon the filing of the certificate provided by subsection (10), any remaining debt of the tax debtor with respect to the property referred to in the certificate, including all costs and charges arising from the sale and disposition, shall be extinguished.

(14) If, pursuant to subsections (8) and (10) the band has become the owner of the improvements and interest in the reserve, the surveyor of taxes may sell such within 90 days for not less than the upset price set pursuant to subsection (8).

Garnishment of Rent

33.(1) Where taxes are due on property occupied by a lessee whose landlord is liable for the taxes, the surveyor of taxes may, by registered mail, in the form set out in Schedule XII, give no less than 30 days' notice to the landlord that, on continued default of payment of taxes, the surveyor of taxes shall proceed with collection of rent under this section.

(2) Where a landlord fails to pay taxes in full within 30 days after the surveyor of taxes gives notice pursuant to subsection (1), the surveyor of taxes shall give the lessee notice in writing, in the form set out in Schedule XII, to pay to the band the rent otherwise due and owing as it becomes due, and from time to time, until the amount of the outstanding taxes are paid in full.

(3) A lessee may deduct from his rent any amounts paid by him or her to the band in response to a notice served pursuant to subsection (2).

Garnishment of Other Monies

34.(1) When the surveyor of taxes has reasonable knowledge that a person is, or will be, within 90 days, liable to make a payment on reserve to a tax debtor then the surveyor of taxes may serve a garnishee notice by registered mail or in person, in the form of Schedule XII, on that person requiring that those monies, in whole or in part, be paid to the band on account of the outstanding taxes of the tax debtor. The garnishee notice shall also be served on the tax debtor.

(2) Unless the taxes of the tax debtor have been paid, the recipient of a garnishment notice pursuant to subsection (1), shall pay the amount immediately, or, if the amount is not yet payable to the Tax debtor when the amount becomes payable, to the surveyor of taxes.

(3) Monies paid to the surveyor of taxes pursuant to subsection (2) shall be deposited into an interest bearing account and shall be paid against the tax debtor's outstanding taxes, upon the expiration of 30 days from the receipt of such, unless the tax debtor has initiated court proceedings in a court of competent jurisdiction with respect to such payment.

Forfeiture of Property

35.(1) Notwithstanding any other action for the recovery of taxes set out in this bylaw, if any taxes remain unpaid until the end of December of the second year after the calendar year in which they were first imposed, the tax debtor's interest in the reserve in respect of which the taxes remain unpaid shall, subject to subsections (2), (3), (4) and (5) herein, be absolutely forfeited.

(2) The tax debtor's interest in the reserve shall not be forfeited under subsection (1) until the surveyor of taxes serves a notice of forfeiture pursuant to subsection (4) and in the form set out in Schedule XIII, on the tax debtor and on anyone else who may be in lawful possession of the property and the date on which the tax debtor's interest in the reserve forfeits shall be the 40th day after the date on which the notice was served.

(3) Prior to serving the notice of forfeiture pursuant to subsection (4), the surveyor of taxes shall obtain authorization from the council to proceed by forfeiture. The council shall obtain the consent of the minister or such other party as may be lawfully required, prior to giving the surveyor of taxes authority to serve a notice of forfeiture.

(4) The notice of forfeiture shall state:

- (a) that the interest held by the tax debtor in the reserve is subject to forfeiture under this section,
- (b) the amount of all taxes, costs and fees that are due and payable to the date of the notice,
- (c) the date on which the interest in the reserve held by the tax debtor will forfeit,
- (d) the right to prevent forfeiture by payment under this section,
- (e) that on forfeiture under this section, the interest held by the tax debtor in the reserve will be forfeited clear of all charges except those rights of way, easements or other such third party interests which otherwise attach to the land or interest.

(5) The notice of forfeiture shall be given by mailing or delivering it to the person entitled to it at that person's last known address or to the address of that person which is specified in the records of the surveyor of taxes.

(6) Where any taxes remain unpaid on December 1 of the second year after the calendar year in which they were imposed, the payment of those taxes does not prevent forfeiture unless the payment:

- (a) includes all taxes then due and payable, and
- (b) is made before forfeiture occurs under this section.

(7) The surveyor of taxes shall certify, in the form set out in Schedule XIV that the interest in the reserve held by the tax debtor has been forfeited and such certification shall:

- (a) if relating to an interest that was registered therein, be registered in the reserve land register kept pursuant to section 21 of the Indian Act,
- (b) if relating to an interest that was registered therein, be registered in the surrendered and designated land register kept pursuant to section 55 of the Indian Act, and
- (c) if relating to an interest that was not registered in a register referred to in paragraph (a) or (b), be listed or filed in the band land register.

Upon registration, the registrar shall take any and all steps necessary to remove the tax debtor's interest in the reserve.

Absconding Taxpayer

36.(1) Notwithstanding section 29, where the council considers it appropriate, it may authorize the surveyor of taxes to commence collection proceedings set out in sections 30, 31, 32 and 35 or abridge or dispense with the time periods required therein, at any time when the council believes, on reasonable grounds, that taxes will be uncollectible because of the actions or proposed actions of the tax debtor.

(2) Without limiting subsection (1), where the surveyor of taxes has reasonable grounds for believing that the assessed taxpayer is planning to remove any or all of his personal property from the reserve, dismantle or remove his improvements located on reserve, or take any other actions which will either preclude or substantively impair the collection of any outstanding taxes owing pursuant to this by-law, he shall apply to the council for authorization to immediately commence any of the collection proceedings set out in sections 30, 31, 32, and 35 and abridge or dispense with the time periods required therein.

(3) In the alternative to subsection (1), or upon the request of the council following the application provided by subsection (2), the surveyor of taxes may initiate proceedings in a court of competent jurisdiction, notwithstanding the fact that the time for payment of taxes has not yet expired.

Discontinuance of Services

37.(1) With the approval of the council, any services (including but not limited to water and sewer services) provided by the band or pursuant to any contract with the band, to any person who fails to comply with any provision of this bylaw, including without limiting the generality of the foregoing any tax debtor, or to the property in respect of which the person is an interest holder assessed pursuant to the assessment bylaw, may be discontinued. A notice of discontinuance of services in the form of Schedule XV, shall be served upon the person, 30 days prior to such discontinuance, and shall include the date, time and place within that 30 days, upon which the person can appear before the council to show cause as to why the services should not be discontinued. Following the appearance before council, the council shall in its absolute discretion determine whether or not it shall discontinue the provision of any services. If council determines to discontinue the provision of any services, it may, as and when it deems appropriate, itself discontinue the provision of services and notify any other person providing services to the person or to the property pursuant to any contract with the band to discontinue the provision of services thereto.

(2) Neither the band, council, nor any councillor, employee, agent, contractor or subcontractor of the band shall be liable for any claims, losses, damages or expenses of any kind or nature whatsoever of or to any person, property or personal property, arising directly or indirectly from, in respect of or relating to, any discontinuance of the provision of any service pursuant to subsection (1).

Powers for Recovery of Taxes

38.(1) The powers conferred in this bylaw for recovery of taxes may be exercised separately, concurrently or cumulatively.

(2) Without limiting the generality of subsection (1), discontinuance of services to any person pursuant to section 38 shall not limit or restrict the exercise of any power conferred in this bylaw for recovery of taxes, and visa versa.

Statement of Taxes Paid or in Arrears

39. The surveyor of taxes shall give on written request, to a person making application, a written statement of the taxes, penalty and interest outstanding or a statement that no taxes are outstanding, as the case may be, at that date and may charge for a search and written statement:

- (a) where 3 or less taxation rolls folios are searched and for which a written statement is prepared as a result of a request, \$10.00 for each taxation roll folio searched, and

- (b) where more than 3 taxation roll folios are searched and for which a written statement is prepared as a result of a request, the amount resulting by multiplying \$45.00 per hour by the number of hours taken to perform the search and prepare the written statement, but not less than \$30.00 in respect of any request.
