(2) An appointment under subsection (1) is on the terms and conditions set out in the resolution.

(3) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Authorization of Financial Management Board

4. Notwithstanding any other provision of this Law, if the FMB gives notice to Council pursuant to the Act that third-party management of the revenues raised under this Law is required, Council authorizes the FMB to act as agent of the First Nation to fulfill any of the powers and obligations of the Council under this Law and the Act.

Application of Law

5. This Law applies to all interests in land.

PART IV ASSESSED VALUE

Assessment and Valuation

6.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 18(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where, by a lease or other instrument granting an interest in land, the First Nation, or Her Majesty in right of Canada for the benefit of the First Nation, places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes the property classes established by the Province for provincial property assessment purposes, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The property classes established under subsection (10) are set out in Schedule I to this Law, and the classification criteria for each property class shall be determined using the corresponding provincial classification rules.

(12) As an exception to subsection (11), Class 7 (forest land) must include only lands respecting which a licence or permit to cut timber has been issued under the *Indian Act*, or under a land code established in accordance with the *First Nations Land Management Act*.

(13) The assessor must assess interests in land according to the property classes established under this Law.

(14) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(15) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(16) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(17) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(18) Except as otherwise provided in this Law, for the purposes of assessing interests in land the assessor must use

- (a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and
- (b) the assessment rules and practices used by assessors in the Province for conducting assessments off the reserve.

Exemption from Assessment

7. Notwithstanding any other provision in this Law, improvements designed, constructed or installed to provide emergency protection for persons or

domestic animals in the event of a disaster or emergency within the meaning of the *Emergency Program Act* (BC) are exempt from assessment under this Law.

PART V

REQUESTS FOR INFORMATION AND INSPECTIONS

Requests for Information

8.(1) The assessor may deliver a Request for Information containing the information set out in Schedule II, to a holder or a person who has disposed of assessable property, and that person must provide to the assessor, within fourteen (14) days from the date of delivery or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The assessor may in all cases assess the assessable property based on the information available to him or her and is not bound by the information provided under subsection (1).

Inspections

9.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and improvements.

(2) Where the assessor wishes to conduct an inspection of assessable property for the purpose of assessing its value, the assessor must deliver a Notice of Assessment Inspection by personal delivery, mail, fax or e-mail to the person named on the assessment roll at the address indicated on the assessment roll.

(3) Personal delivery of a Notice of Assessment Inspection is made

(a) in the case of delivery to a residential dwelling, by leaving the notice with a person at least eighteen (18) years of age residing there; and

(b) in the case of delivery to any other assessable property, by leaving the notice with the person apparently in charge, at the time of delivery, on those premises.

(6) Unless otherwise requested by the person named on the assessment roll, inspections of an assessable property must be conducted between 09:00 and 17:00 local time.

(7) If the assessor attends at an assessable property to inspect it and no occupant eighteen (18) years of age or older is present or permission to inspect the property is denied, the assessor may assess the value of the assessable property based on the information available to the assessor.

(8) As part of an inspection under this section, the assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals respecting the assessable property and the occupant must, on request, furnish every facility and assistance required for the entry and examination.

PART VI

ASSESSMENT ROLL AND ASSESSMENT NOTICE

Assessment Roll

10.(1) On or before December 31 of each year, the assessor must complete a new assessment roll containing a list of every interest in land that is liable to assessment under this Law.

(b) deliver a copy of the certified assessment roll to Council.

Assessor to Prepare and Certify Revised Assessment Roll

12.(1) No later than March 31 after the certification of the assessment roll under section 11, the assessor must

(a) modify the assessment roll to reflect all reconsideration decisions, corrections of errors and omissions, and decisions received by the assessor from the Assessment Review Board;

(b) date and initial amendments made to the assessment roll under this section; and

(c) prepare a revised assessment roll.

(2) On completion of the revised assessment roll, the assessor must

(a) certify in writing in substantially the form set out in Schedule XI that the revised assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified revised assessment roll to Council and to the chair.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the taxation year and it is deemed to be effective as of the date the assessment roll was certified under section 11.

Validity of Assessment Roll

13. An assessment roll is effective on certification and, unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite

(i) any omission, defect or error committed in, or with respect to, the assessment roll,

(ii) any defect, error or misstatement in any notice required, or

(iii) any omission to mail any notice required; and

(b) for all purposes, the assessment roll of the First Nation until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

14.(1) On receipt by Council, the assessment roll is open to inspection in the First Nation office by any person during regular business hours.

(2) In addition to inspection under subsection 14(1), Council may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll

(a) to obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) to harass an individual.

(4) The assessor or tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule IV

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

15.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 14(1) or are otherwise accessible to the public.

Chargeholders

16.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

17.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice will be deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) The assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars (\$6), the information contained in the current Assessment Notice sent by the assessor.

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

18.(1) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2).

(2) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

- (a) holder of the interest in land; and
 - (b) the complainant, if the complainant is not the holder.
- (3) Without limiting subsection (1), the assessor must give notice to the

Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

- (a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in
 - (i) land or improvements, or both, that were not previously subject to taxation become subject to taxation, or
 - (ii) land or improvements, or both, that were previously subject to taxation cease to be subject to taxation;
- (b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;
- (c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and
- (d) improvements, other than a manufactured home, that
 - (i) are substantially damaged or destroyed after October 31 and before the following January 1, and
 - (ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 19, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

19.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

- (a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or
- (b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have

been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 11 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 8(1), or

(f) a person's making of an incorrect response to a request for information under subsection 8(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 11 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent

jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

- (a) deliver a certified copy of the supplementary assessment roll to the Council;
- (b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and
- (c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 11 in respect of the assessable property affected.

PART VIII

- (5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must
- (a) amend the assessment roll as necessary to reflect the modified assessment;
 - (b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and
 - (c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.
