## **9.0 COVENANTS OF THE AUTHORITY**

- 9.1 If the First Nation has obtained all necessary certifications and approvals from the Board and the Commission and complied with this Agreement, the Act, by-laws and policies of the Authority and a Borrowing Law, the Authority shall review the request for financing of the First Nation set out in a Security Issuing Council Resolution and, in consideration of relevant market and economic conditions may, in accordance with the Act, authorize the issue and sale of debt securities to raise funds requested by the First Nation or provide Interim Long Term Financing to the First Nation, in either case to be loaned to the First Nation to finance a specified Capital Infrastructure Project.

10.3 Recognizing that the term to maturity of debt securities issued by the Authority may not be the same as the First Nation's requested term for financing from the Authority at the relevant time, the First Nation may by resolution of the Council request that the Authority fix the interest rate on the loan from the Authority to the First Nation at the time of the borrowing described in the Security Issuing Council Resolution for the full term of the borrowing.

10.4 If the Authority provides Interim Long Term Financing to the First Nation, the amount of the loan withheld under section 84(2) of the Act and deposited in the Debt Reserve Fund in relation to the Interim Long Term Financing will be credited to the First Nation in determining the amount to be withheld under section 84(2) of the Act upon the subsequent issue of debt securities by the Authority to raise the funds requested by the First Nation.

## **11.0 CONDITIONS OF FINANCING**

11.2 In addition to the requirements under clause 11.1, any decision of the Authority to provide financing to the First Nation after the financing authorized by the First Nation's first Borrowing Law is conditional upon receipt by the Authority of a Financial Management System Certificate issued to the First Nation and a copy of the Board's report prepared in respect of that certificate under section 50(2) of the Act, if the First Nation did not have a Financial Management System Certificate when it became a Borrowing Member.

## **12.0 PAYMENT BY THE FIRST NATION**

12.1 Upon completion by the Authority of any financing undertaken pursuant to a Security Issuing Council Resolution, the First Nation shall, at a time that the Authority requests, execute and deliver a Promissory Note to the Authority.

12.2 The Promissory Note shall be executed on behalf of the First Nation by the Person named in a Security Issuing Council Resolution. The Promissory Note shall provide for payment by the First Nation to the Authority of the amounts required to meet the obligations of the Authority with respect to each of its borrowings undertaken pursuant to the First Nation's Borrowing Law and applicable Security Issuing Council Resolution.

12.3 The Promissory Note shall be dated and payable in Canadian dollars and shall set out the schedule of repayment by the First Nation of the principal amount together with interest as shall be determined by the Authority.

12.4 The obligations under a Promissory Note shall bear interest from the date specified therein, which date shall be determined by the Authority, at rates to be determined by the Authority.

12.5 The obligations incurred under a Promissory Note as to both principal and interest shall be payable in such manner and at such time or times as determined from time to time by the Authority.

12.6 The First Nation shall in each fiscal year after a Promissory Note has been signed provide in its annual budget for payment of all amounts payable to the Authority during the fiscal year to which its annual budget applies.

12.7 The First Nation shall pay the amounts to the Authority set forth in, or attached as a schedule to, a Promissory Note during a fiscal year and shall make such payments in priority to other creditors of the First Nation during that fiscal year.

12.8 No expenditure law enacted by the First Nation under section 5(1)(b) of the Act shall authorize the expenditure of moneys raised under a local revenue law unless the First

Nation's annual budget provides for the payment of all amounts payable to the Authority during the budget period.

- 12.9 The First Nation shall provide and pay over to the Authority such sums as are required to discharge its obligations in accordance with the terms of a Promissory Note, provided that if sums provided for in a Promissory Note are not sufficient to meet the obligations of the Authority in relation to the issuance of debt securities or the provision of Interim Long Term Financing to raise the funds requested by the First Nation, any deficiency in meeting such obligations shall be a liability of the First Nation to the Authority and the Council shall make due provision to discharge such liability.
- 12.10 If the First Nation's requested repayment term for a borrowing described in a Borrowing Law does not match the term for debt securities issued by the Authority to provide for the First Nation's borrowing, the First Nation may, by way of Council Resolution, authorize the Authority to use a derivative product to fix the loan interest rate for the full repayment term, or if no such Council Resolution is provided to the Authority, then the First Nation's loan will be refinanced by the Authority as needed to meet the First Nation's desired term of repayment set out in a Borrowing Law. Any refinancing described in this clause shall take place at the Authority's calculated interest rate in issuing debt securities at the time of the refinancing.
- 12.11 In the event the First Nation wishes to prepay the amount owing under a Promissory Note the prepayment shall include the full amount of the principal and interest due on the maturity of the Promissory Note or another amount as calculated by the Authority to fully discharge the First Nation's obligations and any additional cost incurred by the Authority in relation to the prepayment.
- 12.12 The parties acknowledge that the Authority will fund advances of Interim Long Term Financing to the First Nation by the issuance of bankers' acceptances in the Canadian bank market or by the issuance of commercial paper in the Canadian capital markets. The First Nation may not prepay any amount of Interim Long Term Financing unless such prepayment is made on the maturity date of the bankers' acceptance or issue of commercial paper utilized by the Authority to fund the applicable advance of such Interim Long Term Financing, and the amount of such prepayment is sufficient to repay the relevant bankers' acceptance or commercial paper in full.
- 12.13 All payments by the First Nation to the Authority shall be made to an account specified by the Authority on the due date as set out in the Promissory Note, or if the due date is not a Business Day then on the next Business Day.

### **13.0 DEFAULT BY THE FIRST NATION**

- 13.1 The occurrence of any one or more of the following events or conditions will be a default under this Agreement:
  - (a) the First Nation defaults on a payment owing to the Authority under this Agreement, a Borrowing Law, Security Issuing Council Resolution or Promissory Note;

- (b) the First Nation fails to comply with the Act in any material respect;
- (c) the First Nation defaults in the observance or performance of any of the terms, conditions or covenants to be observed or performed by the First Nation under this Agreement;
- (d) the First Nation or a Person on its behalf made a representation, warranty or statement to the Authority that was untrue in any material respect at the time it was made or deemed to be made;
- (e) the First Nation defaults in payment of any indebtedness to any Person other than the Authority, or defaults in the performance of any term, provision or condition created in any agreement under which that indebtedness was created or is governed, where that default would allow that Person to cause the indebtedness to become due prior to its stated maturity, or any such indebtedness is declared to be due and payable other than by a regularly scheduled payment;
- (f) the First Nation commits or threatens to commit any act of bankruptcy or becomes insolvent;
- (g) the holder of a security interest delivers a notice of intention to enforce its security or take possession of all or any part of the First Nation's property, including the Local Revenue Account or any part of it, or an execution or other process of any court becomes enforceable against the First Nation;
- (h) the First Nation fails or refuses to exercise its rights and remedies to enforce collection of outstanding property tax revenues in a manner that is acceptable to the Authority to meet the First Nation's obligations to the Authority under this Agreement or a Promissory Note; or
- (i) in the opinion of the Authority, a Material Adverse Change has occurred.

13.2 If a default under clause 13.1 occurs the Authority, in its sole and absolute discretion, may declare all or any part of the First Nation's obligations under this Agreement or a Promissory Note immediately due and payable, without any further demand or notice of any kind.

13.3 Notwithstanding anything in this Agreement, no use of the Debt Reserve Fund or payment by other Borrowing Members to replenish the Debt Reserve Fund following a default by the First Nation on a loan payment to the Authority relieves the First Nation of its obligations under this Agreement, a Promissory Note or the Act.

13.4 If a default under clause 13.1 occurs, in addition to any other remedies the Authority has under the Act or this Agreement, the Authority may take one or both of the following actions under section 86 of the Act:

- (a) request the Board to conduct a review and make a report to the Authority of the reasons for the First Nation's default, including any recommendation for an intervention under section 52 or 53 of the Act; or

- (b) require the Board to either (at the Board's discretion) impose a co-management arrangement on the First Nation or assume third-party management of the First Nation's local revenues under section 52 or 53 of the Act.
- 13.5 Notwithstanding any other provision of this Agreement, the Board may, at its discretion, give notice to the First Nation under section 52 of the Act requiring the First Nation to enter into a co-management arrangement in respect of the First Nation's local revenues, including its Local Revenue Account, if, in the opinion of the Board, there is a serious risk that the First Nation will default on an obligation to the Authority.
- 13.6 In addition to any other remedies or obligations under the Act or this Agreement, where the First Nation defaults on a loan payment to the Authority under clause 13(1)(a) and that default leads to a reduction in the Debt Reserve Fund which other Borrowing Members are called upon to replenish, the First Nation shall make payments to the Authority in order to repay amounts to other Borrowing Members who have been called upon to replenish the Debt Reserve Fund, together with amounts on account of investment income that would have been earned on the amount of the First Nation's default and any costs incurred by the Authority.
- 13.7 In each year following a default by the First Nation that led to a reduction in the balance of the Debt Reserve Fund, the Authority shall send to the Council a notice imposing a charge on the First Nation in an amount required to repay amounts outstanding under clause 13.6.
- 13.8 Upon receipt of the notice from the Authority sent under clause 13.7, the First Nation shall forthwith pay to the Authority the amounts set out in the notice.
- 13.9 Upon receipt of payments from the First Nation under clause 13.8, the Authority shall pay to each of those Borrowing Members who have been called upon to replenish the Debt Reserve Fund a share of monies received from the First Nation proportionate to the amount of the total replenishment of the Debt Reserve Fund paid by each such Borrowing Member.
- 13.10 The First Nation agrees that all costs and interest incurred by the Authority as a result of a default by the First Nation under clause 13.1, including all fees and disbursements paid by the Authority to its solicitors and counsel and any other Persons in connection with advising the Authority with respect to a default, enforcement of this Agreement and collection of monies owing, shall be payable by the First Nation to the Authority forthwith.
- 14.0 REPAYMENT FROM DEBT RESERVE FUND**
- 14.1 Where, upon default of another Borrowing Member that led to a reduction in the Debt Reserve Fund, the First Nation has contributed to replenishment of the Debt Reserve Fund, any repayment to the First Nation under section 84(6) of the Act shall be reduced by an amount equal to the repayment monies previously received by the First Nation from the Authority under clause 13.9.

## **15.0 INDEMNITY**

- 15.1 The Authority does not agree to undertake or assume any responsibility or duty to the First Nation to select, review, inspect, supervise, pass judgment upon, or inform the First Nation of any matter in connection with a Capital Infrastructure Project. The First Nation shall rely entirely upon its own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Authority in connection with such matters is solely for the protection of the Authority and neither the First Nation nor any other Person is entitled to rely thereon.
- 15.2 The Authority shall not be responsible or liable to any Person for any loss, damage, liability or claim of any kind relating to injury or death to such Person or damage to any Person's property caused by the action, inaction or negligence of the First Nation.
- 15.3 The First Nation shall indemnify and save harmless the Authority from and against all claims, demands, actions and costs that arise out of the performance by the First Nation of the Capital Infrastructure Project and of this Agreement or by reason of any matter or thing done or omitted to be done by the First Nation, or by its employees or agents in connection with their performance in relation to the Capital Infrastructure Project or this Agreement, whether occasioned by negligence or otherwise. Such indemnification shall survive termination of this Agreement.

## **16.0 ENFORCEMENT OF THIS AGREEMENT**

- 16.1 Nothing in this Agreement or any procedures or remedies in this Agreement shall prevent or restrict the Authority from exercising or relying upon any other legal or equitable remedies or procedures available to the Authority in addition to any remedies or procedures in this Agreement, in relation to enforcement of this Agreement or a Promissory Note.

## **17.0 SHARING OF INFORMATION**

- 17.1 The First Nation consents to the sharing of information that it may provide to the Authority, Commission and Board between and among those institutions as may be required by them to carry out their duties, responsibilities and functions under the Act or as may be required in relation to this Agreement, and further acknowledges and consents to the disclosure of such information to such third parties in the financial industry by the Authority as is reasonably necessary for the Authority to engage in the issuance of debt securities or the provision of Interim Long Term Financing secured by the First Nation's property tax revenues.

## **18.0 WAIVER**

- 18.1 No provision of this Agreement and no breach by either party of any such provision will be deemed to have been waived unless such waiver is in writing signed by the party that has not committed the breach.

18.2 A written waiver by either party of a breach of any provision of this Agreement will not be deemed to be a general waiver of such provision or of any subsequent breach of the same or any other provision of this Agreement.

#### **19.0 APPLICABLE LAW**

19.1 This Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein and the parties submit and attorn to the jurisdiction of the courts of the Province of British Columbia.

#### **20.0 TIME OF THE ESSENCE**

20.1 Time is of the essence of this Agreement and forbearance by the Authority of a strict application of this provision shall not operate as a continuing or subsequent forbearance.

#### **21.0 SURVIVAL OF WARRANTIES AND REPRESENTATIONS**

21.1 All representations and warranties contained in this Agreement shall survive the execution and delivery of this Agreement and shall be deemed to have been made again to the Authority on the date of each loan by the Authority to the First Nation and shall be conclusively presumed to have been relied on by the Authority regardless of any investigation made or information possessed by the Authority.

21.2 The representations and warranties set forth in this Agreement shall be cumulative and in addition to any other representations or warranties which the First Nation shall now or hereafter give, or cause to be given, to the Authority.

21.3 Notwithstanding anything to the contrary contained herein, clauses 15, 16, 19, 21, 22 and 23 shall survive the termination of this Agreement in accordance with its terms.

#### **22.0 SEVERABILITY**

22.1 If any clause or portion of any clause in this Agreement is determined to be unenforceable or invalid for any reason whatsoever, that unenforceability or invalidity shall not affect the enforceability or validity of the remaining portions of this Agreement and such unenforceable or invalid clause or portion thereof shall be severed from the remainder of the Agreement.
