Re: Bylaw No. 1 – **Operating non-motorized and motorized vehicles**

Chief and Council would like to immediately implement the following by-law:

- **Children under 16 must wear a helmet while riding their bicycles.**
- **Individuals who operate off highway vehicles are required to wear a helmet.**

Community members are to exercise extreme caution when allowing their children to operate motorized and non-motorized vehicles.

Emergency services responded to an incident on July 3, 2018. A child lost control of an ATV which rolled over and had to seek medical attention.

Parents should never let children under the age of 16 drive or ride in an ATV, including models marketed as 'child-sized'.

Those aged 16 or older are encouraged to take the following advice:

- Wear proper protection gear, including a helmet, jacket, long pants, goggles, boots and gloves
- Ensure your ATV is properly equipped with a headlight and taillight
- Make sure others know where you will be in case of emergency
- Avoid drinking and drug use before or while operating an ATV

Chief and Council will be working with the Nishnawbe Aski Police Services (NAPS) to ensure individuals are wearing a helmet while operating off-highway vehicles and children are wearing their helmets and monitor for erratic/reckless driving patterns.
