PART III ADMINISTRATION

Assessor

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in reserve lands.

PART IV ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess

(a) all interests in reserve lands that are subject to taxation under the Taxation Law;

(b) all interests for which payments-in-lieu of taxes may be accepted by Council; and

(c) non-taxable interests in reserve lands, as directed by the Council.

(2) For the purpose of determining the assessed value of an interest in reserve lands for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in reserve lands for an assessment roll is to be determined as if on the valuation date

(a) the interest was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to an interest in reserve lands referred to in paragraphs 17(3)(b) and (d) and the assessed value of an interest referred to in that section for an assessment roll must be determined as if on the valuation date the interest was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in reserve lands at their market value as if held in fee simple off the reserve in the Province.

(6) The assessor must determine the assessed value of an interest in reserve lands and must enter the assessed value of the interest in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in reserve lands and comparable interests;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest.

(8) Without limiting the application of subsections (5) and (6), an interest in reserve lands used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the interest of a going concern.

(9) Where a lease or other instrument granting an interest in reserve lands places a restriction on the use of the interest, other than a right of termination or a restriction on the duration of the interest, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in reserve lands according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where an interest in reserve lands falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the interest attributable to each class and assess the interest according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of an interest in reserve lands, the assessor may choose to assess the interest in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) interest in reserve lands, those

interests, if contiguous, may be treated by the assessor as one interest and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the interest in reserve lands, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the reserve lands.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in reserve lands the assessor must use

- (a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and
- (b) the assessment rules and practices used by assessors in the Province for conducting assessments off the reserve.

Exemption from Assessment

6. Notwithstanding any other provision in this Law, improvements designed, constructed or installed to provide emergency protection for persons or domestic animals in the event of a disaster or emergency within the meaning of the *Emergency Program Act*, RSBC 1996, c 111, are exempt from assessment under this Law.

(2) The assessor may in all cases assess the assessable property based on the information available to the assessor and is not bound by the information provided under subsection (1).

Inspections

8.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and improvements.

- (2) The assessor may enter onto any interest in reserve lands and may examine any property
 - (a) to determine an assessment of land and improvements, in respect of which the assessor thinks a person may be liable to assessment; or
 - (b) to confirm an assessment.

(3) The assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals of the person referred to in paragraph (2)(a) who must, on request, furnish every facility and assistance required for the entry and examination.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the taxation year and it is deemed to be effective as of the date the assessment roll was certified under section 10.

Validity of Assessment Roll

12. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

- (a) valid and binding on all parties concerned, despite any
 - (i) omission, defect or error committed in, or with respect to, the assessment roll,
 - (ii) defect, error or misstatement in any notice required, or
 - (iii) omission to mail any notice required; and
- (b) for all purposes, the assessment roll of Tkémłúps te Secwépemc until the next certified assessment roll or certified revised assessment roll.

13.(1) On receipt by Council, the assessment roll is open to inspection in the Tkémłúps te Secwépemc office by any person during regular business hours.

(2) In addition to inspection under subsection 13(1), the assessment roll may be inspected electronically by e-mail or through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail, electronically or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule III

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 13(1) or are otherwise accessible to the public.

Chargeholders

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

16.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in reserve lands assessed in the name of the same holder may be included

in one Assessment Notice.

(5) If several interests in reserve lands are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the interest assessed, without giving the full description of each interest as it appears in the assessment roll.

(6) Subject to subsection 13(3) and subsection (7), the assessor must provide the information contained in the current Assessment Notice to any person who requests it and pays to the assessor a fee in the amount prescribed from time to time under the *Assessment Act*, RSBC 1996, c 20 for obtaining an assessment notice.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

- (a) holder of the interest in reserve lands; and
- (b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

- (a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in
 - (i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or
 - (ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;
- (b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;
- (c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and
- (d) improvements, other than a manufactured home, that
 - (i) are substantially damaged or destroyed after October 31 and before the following January 1, and
 - (ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended

Assessment Notice to every person named in the assessment roll in respect of the interest in reserve lands affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in reserve lands

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in reserve lands

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) Where, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, the assessor determines that property that was exempt from taxation under the Taxation Law has become taxable, the assessor must make an entry on a supplementary assessment roll.

(4) In addition to supplementary assessments under subsections (1), (2) and (3), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(5) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(6) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(7) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(8) A supplementary assessment roll that implements an amendment ordered or directed by the

Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(9) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in reserve lands affected.

(10) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 10 in respect of the assessable property affected.

(11) Despite subsection (10), a supplementary assessment roll issued under subsection (3) is deemed to be effective as of the date the affected property became taxable under the Taxation Law.

PART VIII

(c) include any reasons in support of the request.

(4) The assessor must, no later than twenty-one (21) days after the end of the twenty-one (21) day period referenced in paragraph (3)(a), consider the request for reconsideration and advise the person who requested the reconsideration that

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.

(6) Where the person who requested the reconsideration accepts an offer to modify an assessment, that person must not appeal the modified assessment and must withdraw any Notice of Appeal filed in respect of the assessable property.

PART IX

(3) Each member of the Assessment Review Board must hold office for a period of three (3) years unless the member resigns or is removed from office in accordance with this Law.

(4) If a member of the Assessment Review Board is absent, disqualified, unable or unwilling to act, Council may appoint another person, who would otherwise be qualified for appointment as a member, to replace the member until the member returns to duty or the member's term expires, whichever comes first.

Remuneration and Reimbursement

21.(1) Tkemplúps te Secwépemc must remunerate the members of the Assessment Review Board for time spent on activities of the Assessment Review Board required under this Law or expressly authorized by the Council.

(2) The rates of remuneration for the Assessment Review Board are as follows:

- (a) the chair (or acting chair) at the maximum rate established from time to time by the Province for a part-time chair of a provincial administrative tribunal categorized as Group 3,
- (b) a member (or replacement member appointed to act), other than the chair, who meets the criteria set out in subsection 20(2), at the maximum rate established from time to time by the Province for a part-time vice-chair of a provincial administrative tribunal categorized as Group 3, and
- (c) any member (or replacement member appointed to act), other than those referenced in paragraphs (a) and (b), at the maximum rate established from time to time by the Province for a part-time member of a provincial administrative tribunal categorized as Group 3,

calculated in accordance with subsection (3).

(3) The remuneration under subsection (2) must be calculated as follows:

- (a) a member of the Assessment Review Board must be paid the applicable per diem rate where the member spends more than four (4) hours of time on the activities of the Assessment Review Board in a twenty-four (24) hour day; and
- (b) a member of the Assessment Review Board must be paid one-half ($\frac{1}{2}$) of the applicable per diem rate where the member spends four (4) hours or less of time on the activities of the Assessment Review Board in a twenty-four (24) hour day.

(4) Tkemplúps te Secwépemc must reimburse a member, including a replacement member, of the Assessment Review Board for reasonable travel and out of pocket expenses necessarily incurred in carrying out their duties.

(5) The references in subsection 21(2) to rates established by the Province are for the purpose only of establishing reasonable rates of remuneration for members of the Assessment Review Board based on the provincial comparative and do not reflect any intent to adopt any provincial law or standard.

Conflicts of Interest

- (a) has a personal or financial interest in the assessable property that is the subject of an appeal;
- (b) is the Chief of Tk'emlúps te Secwépemc or a member of Council;
- (c) is an employee of Tk'emlúps te Secwépemc; or
- (d) has financial dealings with Tk'emlúps te Secwépemc, which might reasonably give rise to a conflict of interest or impair that person's ability to deal fairly and impartially with an appeal, as required under the terms of this Law.

(2) For the purposes of paragraph (1)(a), membership in Tk'emlúps te Secwépemc does not in itself constitute a personal or financial interest in assessable property.

Appointment of Chair
