**LAND USE AND DEVELOPMENT BY-LAW No. 79-10 as amended**

Being a By-law to regulate the use and development  
of land and the character and use of buildings on  
the Mnjikaning First Nation Reserve No. 32

---

---

Whereas Paragraphs (f), (g), (h), (i), (1), (n), (q), and (r) of Section 81 of the Indian Act empower the Council of a band to make By-Laws respecting the use and development of land and the imposition of a penalty for the violation thereof;

And whereas Section 87 of the Indian Act exempts the property of a band and its members in reserve lands and other property from provincial and federal taxation;

And whereas it is deemed to be necessary to control residential, commercial and industrial development for the benefit, safety and welfare of the inhabitants of the Mnjikaning First Nation Reserve;

And whereas it is recognized that By-Laws 79-10, 95-21 and 95-22 should be updated to reflect the current circumstances of the Mnjikaning First Nation;

And whereas it is recognized that the operation of Casino Rama commenced on the Mnjikaning First Nation Reserve on July 31, 1996 and has continued since that date;

And whereas it is recognized that the development and operation of Casino Rama are governed by, among other things, the Amended and Restated Development and Operating Agreement, originally dated March 18, 1996 and amended April 15, 1996 and June 12, 2000 ("DOA");

And whereas under Sections 3.1(a), 3.3 and 3.4 of the DOA, CHC Casinos Canada Ltd. ("the Operator") is retained and appointed by Mnjikaning First Nation, among other things, to operate and maintain Casino Rama in accordance with Operating Policies approved by Mnjikaning First Nation thereunder;

And whereas the Operator has had, and will continue to have, occasion to apply for building permits with respect to Casino Rama, and that in that regard Mnjikaning First Nation and the Operator jointly developed and agreed upon a Building Department Permit Process Outline dated February 1, 2001 which recognized Mnjikaning First Nation as the owner of the capital assets comprising the Casino Rama Complex and provided for a clear, efficient and proper process with respect to these applications be followed, and it is desirable that that process be formally recognized and adopted in the terms of this By-Law;

And whereas it has also been recognized that Casino Rama provides community services to Mnjikaning First Nation, its members, and the Mnjikaning First Nation Reserve No. 32 in terms of income and employment, so as to qualify for exemption from provincial and federal sales taxes, and it is desirable to maintain such exemption in order to comply with the policies and directions reaffirmed by Mnjikaning First Nation in B.C.R. #112 and to realize the founding objectives of Casino Rama in maximizing the revenues available to Ontario First Nations from its operation;

Now therefore the Council of the Chippewas of Mnjikaning First Nation hereby enact this by-law to amend By-Laws 79-10, 95-21 and 95-22 as follows:
