Dated at Ottawa this 1st day of November, 1962. ✓

R. A. Bell,
Minister of Citizenship and Immigration.

REGULATIONS FOR THE WATER SERVICE
MANAGEMENT OF THE CITY OF CHICAGO

1. The control and management of the Chicago Gas Interiors shall be under the direction of the Chicago Gas Council.
2. No person shall tap or make any connections whatever with any of the lines or mains of the gas system without permission of the Chicago Gas Council.
3. No person, unless authorized by the Council, shall interfere with any hydrant, valve, stopcock, pipe or other waterworks appliance outside of his own premises.
4. The water connection from the street line into any premises shall be made at the cost of the applicant.
5. Persons introducing water service into their own premises and the person doing the work will be required to cause the said service to be placed not less than four (4) feet below the surface of the ground throughout the distance between the street line and the inside of the foundation wall of the building into which the water service is introduced.
6. Water service pipes shall be provided by the user or occupant with a brass "stop and waste cock" of a pattern to be approved by the Council, which cock shall be placed immediately inside the outer wall of the building supplied.
7. The user shall use only taps, pipes, fittings and plumbing fixtures which are in a satisfactory condition and have been approved by the Council.
8. The diameter of the standard service pipe and standard taps shall not exceed three-quarter inch.
9. Water shall not be turned on to any premises until the installation of the pipes, etc. has been completed to the satisfaction of the Council or an inspector appointed by the Council. A charge of .50¢ shall be made for the turning on the water to any property.

10. A person so appointed and authorized by the Council may enter any building connected with the water system at any convenient time to examine pipes and fixtures and to investigate in regard to the quantity of water used and the manner of its use.
11. Every user shall keep his service pipes, stopcocks and other fixtures on his premises and from the line of street or line, in good order and repair and at his expense. In the case of leaky or faulty fixtures the Council may shut off the supply of water until such defective pipes or other fixtures are repaired or altered as required. In no case shall any user have a claim on the band or Council by reason of such shutting off of the water.
12. When it is necessary to make repairs to the main lines or to construct new works, the Council reserves the right to shut off the water from any user and keep it shut off as long as may be necessary.
13. Where boilers are supplied with water the Council will not be liable for any damage resulting from the shutting off of the supply of water.
14. Any user vacating any premises supplied with water from the water system or who is desirous of discontinuing the service supplied, must give a reasonable notice of the same in writing to the Council of the band or Indian Superintendent. In the case of failure to give such notice the user will be held liable for the rates therefor and for any damage that may result.
15. The several rates and charges set forth in the schedule which forms part of these regulations, shall be the rates and charges for water supplied from the Kispiox Water System and all such rates and charges shall be payable yearly in advance on September 1st.

16. (a) At the expiration of one month after the rates or charges are due on any premises, the water may at the option of the Council, be shut off and it shall not be turned on except on payment of all rates and charges, together with the fee of .50¢ paid for the shutting off and .50¢ paid for the turning on.

(b) The Council may shut the water off from the premises of any user who infringes any of these regulations and may refuse to turn the water on again until satisfied and assured that the user will comply with these regulations.
17. A water bailiff shall be appointed from time to time by the Band Council as required and shall be responsible for the administration of these regulations and the collection of fees as set out in the schedule and shall make recommendations to the Band Council concerning any matter which may arise in the administration of these regulations and shall receive remuneration as set out in the schedule of fees attached to and forming part of these regulations.

The Council of the Hispiox Band at a meeting held at _____ Hispiox
