REGULATIONS FOR THE CONTROL AND MANAGEMENT OF THE KITKATLA  
ELECTRIC POWER SYSTEM

---

1. The control and management of the Kitkatla Electric Power System shall be under the direction of the Kitkatla Electric Power Committee.
2. All persons desiring electricity from the Kitkatla Electric Power System shall make and sign an application in the prescribed form.
3. Electricity shall not be turned on to any premises until the installation of the wiring in buildings has been completed to the satisfaction of the Committee or an inspector appointed by the Kitkatla Electric Power Committee. A charge of \$1.00 shall be made for the turning on of the electric current.
4. A person so appointed and authorized by the council may enter any building using electricity from the Kitkatla Electric Power System at any convenient time to examine the wires and fixtures.
5. When it is necessary to make repairs to the main service lines or to construct new works, the Committee reserves the right to shut off the electricity from any user and keep it shut off as long as may be necessary.
6. Any user vacating any premises supplied with electricity from the Kitkatla Electric Power System or who is desirous of discontinuing the service supplied, must give a reasonable notice of the same in writing to the Kitkatla Electric Power Committee. In the case of failure to give such notice the user will be held liable for the rates therefore and for any damage that may result.
7. The several rates and charges set forth in the schedule which forms part of these regulations, shall be the rates and charges for electricity supplied from the Kitkatla Electric Power System and all such rates and charges shall be payable to the Kitkatla Electric Power Committee at the end of each month.

8. At the expiration of one month after the rates or charges are due on any premises, the electricity may at the option of the Committee, be turned off and it shall not be turned on except on payment of all rates and charges together with the fee of a \$1.00 paid for the shutting off and a \$1.00 paid for the turning on.
9. All overtime exceeding regular hours must be paid in advance to the Kitkatla Electric Power Committee.
10. Applicants applying for power in new buildings must pay one month in advance for:
  - (a) initiation fee
  - (b) power taxation
  - (c) power hook up chargesThe advance payments comply only to the first month of hook up.
11. Any unauthorized person tampering with any parts of the Electrical System is liable to a fine or power shut off or both fine and power shut off.
12. The council may cut off electricity from the premises of any user who infringes any of these regulations and may refuse to turn the electricity on again until satisfied and assured that the user will comply with these regulations.

APPLICATION FOR ELECTRICITY - KITKATLA ELECTRIC POWER SYSTEM
