5.(1) No person shall engage in hunting Big Game within the reserve except as permitted by this By-law.

(2) Notwithstanding anything in this By-law, a person may, where necessary for the prevention of:

- (a) damage to private property, or
- (b) injury or any impending peril to occupants of occupied land.

Hunting and Trapping by Band Members

6. Notwithstanding any provision of this By-law, members of the Band may engage in hunting within the reserve at any time pursuant to their rights under Treaty Six.

- (b) whether or not the applicant has previously held a permit and, if so, complied with the provisions of the permit and this or any previous By-law with respect to hunting;
- (c) the extent of the contribution, if any, the applicant agrees to contribute to the reserve;
- (d) the number of permits already issued for the species of game of which the permit is sought; and
- (e) whether or not there is sufficient game of that species in the reserve at the time to meet the needs of Band members and permit holders without detrimentally affecting the population or health of the species.

(4) No person shall hunt on the reserve unless guided by a person or persons approved by the Council by Band Council Resolution.

(5) A subsisting guiding agreement between the permittee and the guide or guides stating the fees and a description of the services to be rendered that is acceptable to the Council and not inconsistent to this By-law shall be a condition precedent to eligibility for any person who applies for a permit under this section.

(6) Where the Council determines that:

- (a) the issue of a permit will not detrimentally affect the species of game in respect of which the permit is sought; and
- (b) the applicant is a suitable person to have a permit to hunt on the reserve.

In compliance with this section, the Council may issue a written permit authorizing the applicant to hunt on the reserve, specifying therein the time, place, type of equipment, bag limit, size limit, and species of game that may be hunted by the person holding the permit and to issue a written export permit allowing the permittee to take game taken on the Reserve to his place of origin.

11. The Council may, after notice and hearing, cancel the permit of any person where it is satisfied:

- (a) that the person has contravened the terms of the permit or of this By-law; or
- (b) that the continuation of the permit be detrimental to the preservation or protection of Big Game animals or other game on the reserve.

12. The holder of a permit obtained by any false or misleading statement or information made or given

in respect to any information required for the issuance of the permit shall be deemed to be the holder of a void permit and the holder may be prosecuted in the same manner and with the same effect as he could be prosecuted if he were not the holder of a permit.
