

The Council of the TOBIQUE Band of Indians
AT A MEETING HELD at the Office of Chief makes the follow-
ing bylaw pursuant to paragraph (a) and (r) of section 80 of The
Indian Act:

Bylaw No. (3)

A bylaw to provide for the disposal of garbage and waste
on the TOBIQUE Indian Reserve, in the Province of NEW
BRUNSWICK.

- (a) No person shall accumulate or permit to be accumulated upon lands in his possession or deposit or accumulate on the lands in possession of another person anything which is or may become offensive or injurious to health.
- (b) No person shall deposit any dead animal, offal, fish, manure, garbage, fruit, vegetables, night-soil, filth, liquid waste, or anything of a nature which is or may become offensive or prejudicial to health upon or into any highway, street, road, alley, lane, lot, ditch, pond, river, stream, well, or sewer, or into any land or premises within the reserve and any such deposit shall be deemed a nuisance, provided, however, that the provisions of this paragraph shall not apply to the deposit and proper disposal of any such material into or at a place within the reserve approved by the council for that purpose.
- (c) The Council may arrange for the regular removal (dumping) of garbage and waste from any premises within the reserve.
- (d) In the spring of each year as soon as the melting of snow permits the person in possession of any premises within the reserve shall collect all waste matter lying thereon including tin cans, bottles, paper and animal manure.
- (e) All such waste matter shall be disposed of in such a manner as will prevent any nuisance or offence as the fouling of wells and water supply.
- (f) Any person who violates any of the provisions of this bylaw shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding ten dollars or imprisonment for a term not exceeding seven days, or both fine and imprisonment.

Maliseet, N.B.
