- (a) economic revitalization;
- (b) environmental revitalization; and
- (c) social or cultural revitalization,

of land within the reserve.

(2) Under the revitalization program, an interest in land in the reserve may be granted a complete or partial exemption from taxation, for a maximum duration of ten (10) years where:

land; and

(b) the revitalization agreement obligates the proponent taxpayer to invest in the rehabilitation or development of the interest in land to the following minimum amounts:

- (i) \$1,000,000, if the objective provided for in the revitalization agreement is economic revitalization;
- (ii) \$350,000, if the objective provided for in the revitalization agreement is environmental revitalization; and
- (iii) \$150,000, if the objective provided for in the revitalization agreement is cultural or social revitalization.

(3) A revitalization agreement must be finalized prior to October 31 in the year before the taxation exemption is to go into effect and must:

- (e) provide that the tax administrator shall be responsible for the implementation of the revitalization agreement on behalf of the First Nation, and provide the name of the individual responsible for the implementation of the revitalization agreement on behalf of the proponent taxpayer.

(4) Council may sign more than one revitalization agreement with a proponent taxpayer for the same

interest in land in subsequent years provided that a new investment meeting the criteria in subparagraph(2)(b)(i), (ii) or (iii) is made.

(5) Council may, from time to time, by resolution establish any procedures, application forms, or other materials required for the proper promotion and administration of the revitalization program.

(6) The tax administrator will provide a copy of any revitalization agreement to the assessor within ten (10) days of its final approval and signing by Council and the proponent taxpayer.

(7) Where a revitalization agreement has gone into effect, the Council may only terminate the agreement by resolution:

(a) at the request of the holder; or

(b) if the holder fails to make the investment described in the revitalization agreement, or otherwise breaches the revitalization agreement.

(8) Upon termination of the revitalization agreement by Council under subsection (7):

(a) the tax administrator must, within 10 days, notify the holder of the cancellation and of the date on which it took effect or will take effect;

(b) where terminated under paragraph (7)(b), the holder is liable for all taxes that would have been payable in respect of the interest in the land from the date of the breach; and

(c) the tax administrator must give written notice to the holder of:

(i) any taxes due from the date of cancellation; or

(ii) any taxes due from the date that the holder breached the agreement;

(d) the holder is liable and must, within thirty (30) days, pay the First Nation all amounts owing as set out in paragraph (c); and

(9) In this section "proponent taxpayer" includes a person who is not a holder at the time of signing the revitalization agreement but who makes a commitment in the revitalization agreement to acquire an identified interest in land in the reserve subsequent to the execution of the revitalization agreement.

(10) In this section "holder" means a person holding an interest in land which is subject to a revitalization agreement which has gone into effect.

PART VI

GRANTS

Grants for Surrounding Land

9. Where a building is exempted from taxation under this Law, Council may provide to the holder a grant equivalent to the taxes payable on that area of land surrounding the building determined by Council to be reasonably necessary in connection with it.

Annual Grants

10.(1) Council may provide for a grant to a holder of taxable property

(a) where the holder is a charitable, philanthropic or other not-for-profit corporation, and Council considers that the taxable property is used for a purpose that is directly related to the purposes of the corporation;

(b) where the holder would be entitled to a grant under the provisions of the *Home Owner Grant Act* (BC) if the holder's taxable property was subject to taxation by a local government; and

(c) to promote economic development by members on the reserve.

(2) Grants provided under subsection (1)

(a) may be given only to a holder of taxable property that is taxable in the current taxation year;

(b) must be in an amount equal to or less than the taxes payable on the taxable property in the current taxation year, less any other grants; and

(c) must be used only for the purposes of paying the taxes owing on the taxable property in the current taxation year.

(3) A grant under paragraph (1)(b) must be in an amount that is not more than the amount to which a person would be entitled under the *Home Owner Grant Act* (BC) if the holder's taxable property was subject to taxation by a local government.

(4) In order to qualify for a grant under paragraph 1(c), the holder must be a corporation, the majority of the shares of which are held by or for the benefit of one (1) or more members of the First Nation, that operates a business on the property.

(5) Council will in each taxation year determine all grants that will be given under this Part and will authorize those grants in an expenditure law.

PART VII

LEVY OF TAX

Tax Levy

11.(1) On or before May 28 in each taxation year, Council must adopt a law setting the rate of tax to be applied to each property class.

(2) A law setting the rate of tax may establish different tax rates for each property class.

(3) Taxes must be levied by applying the rate of tax against each one thousand dollars (\$1,000) of assessed value of the interest in reserve lands.

(4) Taxes levied under this Law are deemed to be imposed on January 1 of the taxation year in which the levy is first made.

(5) Notwithstanding subsection (3), Council may establish, in its annual law setting the rate of tax, a minimum tax payable in respect of a taxable property.

(6) A minimum tax established under the authority of subsection (5) may be established in respect of one or more property classes.

Tax Payments

12.(1) Taxes are due and payable on or before July 2 of the taxation year in which they are levied.

(2) Taxes must be paid either:

(a) at the office of the First Nation during normal business hours, by cheque, money order or cash; or

(b) by electronic transfer, as directed by the tax administrator.

(3) Payment of taxes made by cheque or money order must be made payable to the First Nation.

(4) Where a taxpayer has been approved for the tax instalment payment plan, taxes are due as set out in subsection (1), but are payable in accordance with subsection 13(4).

(5) For clarity, a taxpayer must pay taxes in accordance with subsection (1) unless the taxpayer has

received approval to pay taxes under the tax instalment payment plan.

Tax Instalment Payment Plan

13. (1) A taxpayer of a property in the residential property class may apply to the tax administrator for approval to pay taxes in monthly instalments as set out in this section.

(2) In order to be approved for the tax instalment payment plan, the taxpayer must

(a) have no unpaid taxes owing to the First Nation;

(b) complete and submit to the tax administrator an application in the form prescribed by the tax administrator from time to time; and

(c) not have taxes paid by the taxpayer's mortgage company.

(3) Once approved under this section, a taxpayer remains on the tax instalment payment plan from year to year unless the taxpayer

(a) requests removal from the plan in writing to the tax administrator; or

(b) fails to pay an instalment payment on or before the due date, and the tax administrator gives written notice to the taxpayer of the taxpayer's removal from the plan.

(4) Instalment payments under the tax instalment payment plan must be made on the first day of every month of the taxation year.

(5) Instalment payments payable are determined as follows:

(a) for the payments due from January 1 to June 1, by dividing the previous year's tax bill by twelve (12), rounded up to the nearest dollar; and

(b) for the payments due from July 1 to December 1, by subtracting from the current year's tax bill the amounts already paid, and dividing the remainder by six (6).

(6) Where a taxpayer joins the tax instalment payment plan partway through a taxation year, the taxpayer must make an initial payment equal to all missed instalments for that year, which payment must be made at the time of the application to join the tax instalment payment plan.

(7) Despite paragraph (5)(a), if taxes were not levied on a property in the previous taxation year, or where levied for only part of the previous taxation year, the instalments must be determined using the amount the tax administrator estimates would have been levied on the property if taxes had been levied for the entire taxation year.

(8) Where a taxpayer fails to pay any instalment by the due date for that instalment, the following rules apply:

(a) where the unpaid instalment was due and payable before July 1 in the taxation year, it is subject to penalties and interest on the unpaid amount in accordance with Part X from the date the unpaid instalment was due; and

(b) where the unpaid instalment was due and payable on or after July 1 in the taxation year, all taxes owing for the taxation year are immediately due and payable and subject to penalties and interest on those unpaid taxes in accordance with Part X from the date the unpaid instalment was due.

(9) Where a taxpayer fails to pay an instalment by the due date for that instalment, the tax administrator must, as soon as practicable, send a notice to the taxpayer

(a) advising of the default;

(b) setting out the amount due in accordance with subsection (8); and

(c) advising of the taxpayer's removal from the tax instalment payment plan, in accordance with

paragraph (3)(b).

PART VIII

- (g) if the taxpayer is paying taxes under the tax instalment payment plan, the amount of taxes paid from January 1 to May 1, the June 1 instalment amount, and the new monthly instalment amount for July 1 to September 1.

(3) The tax administrator may use the certified assessment roll as the tax roll by adding the following information to the assessment roll:

- (a) the amount of taxes levied on the interest in the current taxation year under this Law; and
- (b) the amount of any unpaid taxes from previous taxation years.

Annual Tax Notices

15.(1) On or before May 31 in each taxation year, the tax administrator must mail a Tax Notice to

- (a) each holder of taxable property under this Law, and
- (b) each person whose name appears on the tax roll in respect of the taxable property,

to the address of the person as shown on the tax roll.

(2) The tax administrator must enter on the tax roll the date of mailing a Tax Notice.

(3) The mailing of the Tax Notice by the tax administrator constitutes a statement of and demand for payment of the taxes.

(4) If a number of taxable properties are assessed in the name of the same holder, any number of those taxable properties may be included in one Tax Notice.

(5) Where the holder of a charge on an interest gives notice to the assessor of the charge under the Assessment Law and the assessor enters the holder's name on the assessment roll, the tax administrator must mail a copy of all tax notices issued in respect of the interest to the holder of the charge during the duration of the charge.

Amendments to Tax Roll and Tax Notices

16.(1) Where the assessment roll has been revised in accordance with the Assessment Law, the tax administrator must amend the tax roll and mail an amended Tax Notice to every person affected by the amendment.

(2) If it is discovered that there is an error, omission or misdescription in any of the information shown on the tax roll

(a) the tax administrator may correct the tax roll for the current taxation year only; and

(b) on correcting the tax roll, the tax administrator must mail an amended Tax Notice to every person affected by the amendment.

(3) Where an amended Tax Notice indicates a reduction in the amount of taxes owing, the tax administrator must forthwith refund any excess taxes that have been paid, in accordance with section 6.

(4) Where an amended Tax Notice indicates an increase in the amount of taxes owing, the taxes are due and payable on the date of mailing of the amended Tax Notice; however, the taxpayer must be given thirty (30) days to pay those taxes and a penalty and interest must not be added in that period.

Taxation Based on Supplementary Assessment

17.(1) Where a supplementary assessment roll is issued in accordance with the Assessment Law, the tax administrator must make the necessary changes to the tax roll and mail a Tax Notice to every person affected by the supplementary assessment roll.

(2) Where a Tax Notice is given under this section, subsections 16(3) and (4) apply.

Subdivision

18.(1) If a taxable property is subdivided, by lease or other legal instrument, before June 1 in the taxation year, the tax administrator may

(a) apportion the taxes payable in that year among the taxable properties created by the subdivision in the same proportions as taxes would have been payable in respect of the taxable properties had the subdivision occurred on or before the assessment roll was certified under the Assessment Law; and

(b) on making an apportionment under paragraph (a), record the apportionment on the tax roll in the manner that the tax administrator considers necessary.

(2) Taxes apportioned to a taxable property under subsection (1) are the taxes payable in respect of the taxable property in the year for which they are apportioned.

(3) The assessor must provide the tax administrator with the assessed values necessary to calculate the proportions of taxes referred to in subsection (1).

Requests for Information

19.(1) The tax administrator may deliver a Request for Information containing the information set out in Schedule I, to a holder or a person who has disposed of an interest in reserve lands, and that person must provide to the tax administrator, within fourteen (14) days or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The tax administrator is not bound by the information provided under subsection (1).

PART IX

PAYMENT RECEIPTS AND TAX CERTIFICATES

Tax Certificate

21.(1) On receipt of a written request and payment of the fee set out in subsection (2), the tax

administrator must issue a Tax Certificate showing whether taxes have been paid in respect of an interest in reserve lands, and if not, the amount of taxes outstanding.

- (2) The fee for a Tax Certificate is twenty-five dollars (\$25) for each tax roll folio searched.

PART X

PENALTIES AND INTEREST

Penalty

22. If all or any portion of the taxes remains unpaid after the date they are due and payable under subsection 12(1) and 16(4), a penalty of ten percent (10 %) of the portion of the current year's taxes that remains unpaid will be added to the amount of the unpaid taxes and the amount so added is, for all purposes, deemed to be part of the current year's taxes.

Interest

23. If all or any portion of taxes remains unpaid after the date they are due and payable under subsection 12(1) and 16(4), the unpaid portion accrues interest at ten percent (10%) per year until paid or recovered, and accrued interest is, for all purposes, deemed to be part of the taxes.

Application of Payments

24. Payments for taxes must be credited by the tax administrator first, to unpaid taxes from previous taxation years, with taxes imposed earlier being discharged before taxes imposed later and second, to unpaid taxes for the current taxation year.

PART XI

Revenues and Expenditures

25.(1) All revenues raised under this Law must be placed into a local revenue account, separate from other moneys of the First Nation.

- (2) Revenues raised include

- (b) payments-in-lieu of taxes.

(3) An expenditure of revenue raised under this Law must be made under the authority of an expenditure law or in accordance with section 13.1 of the Act.

Reserve Funds

26.(1) Reserve funds established by Council must

- (a) be established in an expenditure law; and
- (b) comply with this section.

(2) Except as provided in this section, moneys in a reserve fund must be deposited in a separate account and the moneys and interest earned on it must be used only for the purpose for which the reserve fund was established.

- (3) Council may, by expenditure law,

- (a) transfer moneys in a capital purpose reserve fund to another reserve fund or account, provided that all projects for which the reserve fund was established have been completed;
- (b) transfer moneys in a non-capital purpose reserve fund to another reserve fund or account; and
- (c) borrow moneys from a reserve fund where not immediately required, on condition that the First

Nation repay the amount borrowed plus interest on that amount at a rate that is at or above the prime lending rate set from time to time by the principal banker to the First Nation, no later than the time when the moneys are needed for the purposes of that reserve fund.

- (4) As an exception to paragraph (3)(c), where the First Nations Financial Management Board has
- (a) assumed third-party management of the First Nation's local revenue account, and
 - (b) determined that moneys must be borrowed from a reserve fund to meet the financial obligations of the First Nation,

the First Nations Financial Management Board may, acting in the place of Council, borrow moneys from a reserve fund by expenditure law.

(5) Council must authorize all payments into a reserve fund and all expenditures from a reserve fund in an expenditure law.

(6) Where moneys in a reserve fund are not immediately required, the tax administrator must invest those moneys in one or more of the following:

- (a) in any court of competent jurisdiction,
- (b) in a proceeding before the civil resolution tribunal, and
