PEERLESS TROUT FIRST NATION LAND CODE

Preamble

Whereas Nehiyawahk (Cree People) lived successfully throughout Neetaskinan [*our land*] including lakes and rivers as eternally gifted by Kisi-Manitou [*our God*];

And Whereas our Nehiyawahk ancestors pursued their livelihood on land, lakes and rivers in the Birch Mountain [*Trout Mountain*] and Peerless Trout area of Treaty 8.

And Whereas in accordance with our customary law, **Nehiyawahk Aski Weyaschikiwin**, [*governing system*] we have and respect our sacred duty to protect the land, air, lakes and rivers for the collective benefit of future generations of **Peerless Trout Nehiyawahk**;

And Whereas Peerless Trout Nehiyawahk will develop and maintain a self-supporting community for our children, which respects the individual, all people, the environment, and other communities;

And Whereas the *Framework Agreement on First Nation Land Management* provides the ability to First Nations of withdrawing the reserve Land from the land management provisions of the *Indian Act* in order to exercise control over the Land and resources for the use and benefit of the Members;

And Whereas Peerless Trout First Nation became a signatory on **July 31, 2020** to the *Framework Agreement on First Nation Land Management*, to manage and govern the land and resources under the *Peerless Trout First Nation Land Code*, rather than having its Land and resources managed on its behalf under the *Indian Act*;

And Whereas the *Framework Agreement on First Nation Land Management* is ratified by Peerless Trout First Nation through community approval of the *Peerless Trout First Nation Land Code*;
