

**STANDARDS FOR THE TIMING OF FIRST NATION
ANNUAL TAX RATES AND EXPENDITURE LAWS, 2017**

[Consolidated to 2019-12-12]

**PART I
PREAMBLE**

WHEREAS:

- A. Paragraph 35(1)(e) of the *First Nations Fiscal Management Act* gives the First Nations Tax Commission the authority to establish standards respecting the dates on or before which laws must be made by a council of a first nation under section 10 of the Act;
- B. Standards are established by the Commission to further the policy objectives of the Commission and the Act, including to ensure the integrity of the First Nations property taxation system and to assist First Nations to achieve economic growth through the generation of stable local revenues; and
- C. Section 31 of the Act requires the Commission to review every local revenue law and subsection 5(2) of the Act provides that such a law has no force and effect until it is reviewed and approved by the Commission.

**PART II
PURPOSE**

These Standards set out the date on or before which a First Nation to which section 10 of the Act applies is required to make its annual rates law under subparagraph 5(1)(a)(ii) and its annual expenditure law under paragraph 5(1)(b) of the Act. These Standards are used by the Commission in its review and approval of First Nations' local revenue laws, pursuant to section 31 of the Act. The requirements established in these Standards are in addition to those requirements set out in the Act.

The Commission recognizes that each First Nation's property taxation system operates within the broader context of its fiscal relationships with other governments. These Standards are intended to support a more comprehensive First Nation fiscal framework within Canada.

**PART III
AUTHORITY AND PUBLICATION**

These Standards are established under subsection 35(1) of the Act and are published in the *First Nations Gazette* as required by subsection 34(1) of the Act.

**PART IV
APPLICATION**

These Standards apply to every annual rates law made under subparagraph 5(1)(a)(ii) of the Act and to every annual expenditure law made under paragraph 5(1)(b) of the Act that is submitted to the Commission for approval under the Act.
